2012 Annual City Paving Project

The 2012 Annual City Paving Project is set to begin on Monday, June 18, 2012. Please see the attached list of streets to be paved and map showing the location of these sections of streets.

PLEASE NOTE: This list of streets can be changed at the discretion of the City. Streets may be added to or deleted from this list. If a street is to be added, the City will notify property owners along the street as soon as possible.

This schedule is TENTATIVE, weather permitting. Property owners will be notified of any changes in the schedule.

It is requested that no vehicles, boats, trailers, etc., be left unattended on the street until after the street is paved. If vehicles, boats, trailers, etc., are in the street at the time the street is to be paved and the owner cannot be located, the vehicle will be towed to a location clear of the project AT THE OWNER'S EXPENSE.

Property owners are asked to refrain from watering lawns on the day the street adjacent to their property is to be paved to avoid directing water into the street.

Property owners are also asked to refrain from mowing, trimming, or weed-eating the grass adjacent to the street to be paved to avoid the unintentional placement of grass clippings into the street.

We regret any inconvenience caused by this project. Your cooperation will help expedite this project and is greatly appreciated.

If you have any questions or concerns, please contact the City of Fredericksburg at (830)997-7521.

The City of Fredericksburg
126 W. Main St. • Fredericksburg, Texas 78624-3708 • (830) 997-7521 • Fax (830) 997-1861
