ARTICLE II. LEASE OF EQUIPMENT

Section 2.1. Acquisition of Equipment. Prior to the addition of any Equipment Group, Lessee shall provide Lessor with a description of the equipment proposed to be subject to a Lease hereunder, including the cost and vendor of such equipment, the expected delivery date and the desired lease terms for such equipment, and such other information as the Lessor may require. If Lessor, in its sole discretion, determines the proposed equipment may be subject to a Lease hereunder, Lessor shall furnish to Lessee a proposed Equipment Schedule relating to the Equipment Group for execution by Lessee and then Lessor. By execution hereof, Lessor has made no commitment to lease any equipment to Lessee.

Section 2.2. Disbursement. Lessor shall have no obligation to make any disbursement to a Vendor or reimburse Lessee for any payment made to a Vendor for an Equipment Group (or, if the escrow procedure described in Section 2.4 hereof is utilized, consent to a disbursement by the Escrow Agent) until five (5) business days after Lessor has received all of the following in form and substance satisfactory to Lessor: (a) a completed Equipment Schedule executed by Lessee; (b) an Acceptance Certificate in the form included with Exhibit B hereto; (c) a resolution or evidence of other official action taken by or on behalf of the Lessee to authorize the acquisition of the Equipment Group on the terms provided in such Equipment Schedule; (d) a Tax Agreement and Arbitrage Certificate in the form of Exhibit H (as applicable) attached hereto; (e) evidence of insurance with respect to the Equipment Group in compliance with Article VII of this Agreement; (f) Vendor invoice(s) and/or bill(s) of sale relating to the Equipment Group, and if such invoices have been paid by Lessee, evidence of payment thereof and evidence of official intent to reimburse such payment as required by the Code; (g) financing statements naming Lessee as debtor and/or the original certificate of title or manufacturer’s certificate of origin and title application, if any, for any Equipment which is part of such Equipment Group and is subject to certificate of title laws; (h) a completed and executed Form 8038-G or 8038-GE, as applicable, or evidence of filing thereof with the Secretary of Treasury; (i) an opinion of counsel to the Lessee substantially in the
form of Exhibit F hereto, and (j) any other documents or items reasonably required by Lessor.

Section 2.3. Lease; Possession and Use. Lessor hereby leases the Equipment to Lessee, and Lessee hereby leases the Equipment from Lessor, upon the terms and conditions set forth herein. Lessee shall have quiet use and enjoyment of and peaceably have and hold each Equipment Group during the related Lease Term, except as expressly set forth in this Agreement.

Section 2.4. Escrow Procedure. If Lessor and Lessee agree that the cost of an Equipment Group is to be paid from an Escrow Account: (a) Lessor and Lessee shall execute an Escrow Agreement substantially in the form of Exhibit I or such other form as may be mutually agreeable by the parties thereto; (b) Lessor and Lessee shall execute an Equipment Schedule relating to such Equipment Group; and (c) Lessor shall deposit an amount equal to the cost of the Equipment Group into the Escrow Account. All amounts deposited by Lessor into the Escrow Account shall constitute a loan from Lessor to Lessee secured by proceeds in such Escrow Account and, when such funds are used to acquire the Equipment, shall be repaid by the Rental Payments due under the related Lease.

ARTICLE III. TERM

Section 3.1. Term. This Agreement shall be in effect from the Agreement Date until the earliest of (a) termination under Section 3.2 or (b) termination under Section 12.2; provided, however, no Equipment Schedules shall be executed after any Non-Appropriation or Event of Default. Each Lease with respect to an Equipment Group shall be in effect for a Lease Term commencing upon the Lease’s date and ending as provided in Section 3.4.

Section 3.2. Termination by Lessee. In the sole event of Non-Appropriation, this Agreement and each Lease hereunder shall terminate, in whole, but not in part, as to all Equipment effective upon the last day of the Fiscal Year for which funds were appropriated, in the manner and subject to the terms specified in this Article. Lessee may effect such termination by giving Lessor a written notice of termination and by paying to Lessor any Rental Payments and other amounts which are due and have not been paid at or before the end of its then current Fiscal Year. Lessee shall endeavor to give notice of such termination not less than ninety (90) days prior to the end of the Fiscal Year for which appropriations were made, and shall notify Lessor of any anticipated termination. In the event of termination of this Agreement as provided in this Section, Lessee shall comply with the instructions received from Lessor in accordance with Section 12.3. Lessor agrees that it shall not deliberately cause an event of Non-Appropriation so as to permit Lessee to terminate this Agreement or any Lease hereunder in order to acquire any other equipment or obtain funds directly or indirectly to perform essentially the same application for the Equipment is intended.

Section 3.3. Effect of Termination. Upon termination of this Agreement as provided in Section 3.2, Lessor shall not be responsible for the payment of any additional Rental Payments coming due in succeeding Fiscal Years; but if Lessee has not complied with the instructions received from Lessor in accordance with Section 12.3, the termination shall nevertheless be effective, but Lessor shall be responsible for the payment of damages in an amount equal to the amount of the Rental Payments that would thereafter have come due if this Agreement had not been terminated and which are attributable to the number of days after which Lessee fails to comply with Lessor’s instructions and for any other loss suffered by Lessor as a result of Lessee’s failure to take such actions as required.

Section 3.4. Termination of Lease Term. The Lease Term with respect to any Lease will terminate upon the occurrence of the first of the following events: (a) the termination of this Agreement by Lessee in accordance with Section 3.2; (b) the payment of the Prepayment Price by Lessee pursuant to Article V; (c) an Event of Default by Lessee and Lessor’s election to terminate such Lease pursuant to Article XII; or (d) the payment by Lessee of all Rental Payments and all other amounts authorized or required to be paid by Lessee pursuant to such Lease.

ARTICLE IV. RENTAL PAYMENTS

Section 4.1. Rental Payments. The Lessee agrees to pay the Rental Payments due as specified in the Payment Schedule set forth on any Equipment Schedule hereto, the form of which is attached as Exhibit A. A portion of each Rental Payment is paid as interest as specified in the Payment Schedule of each lease, and the first Rental Payment will include Interest accruing from the Funding Date. Lessor is authorized to insert the due date of the first Rental Payment in the Payment Schedule. All Rental Payments shall be paid to Lessor, or to such assignee(s) Lessor has assigned as stipulated in Article XI, at such places as Lessor or such assignee(s) may from time to time designate by written notice to Lessee. Lessee shall pay the Rental Payments with lawful money of the United States of America from moneys legally available therefor.

Section 4.2. Current Expense. The obligations of Lessee, including its obligation to pay the Rental Payments due in any Fiscal Year of a Lease Term, shall constitute a current expense of Lessee for such Fiscal Year and shall not constitute an indebtedness of Lessee within the meaning of the Constitution and laws of the State. Nothing herein shall constitute a pledge by Lessee of any taxes or other moneys (other than moneys lawfully appropriated from time to time by or for the benefit of Lessee for this Agreement and the Net Proceeds of the Equipment) to the payment of any Rental Payment or other amount coming due hereunder.

Section 4.3. Unconditional Rental Payments. Notwithstanding Lessee’s right to terminate as provided in Section 3.2, Lessee’s obligation to make Rental Payments shall be absolute and unconditional. Also, any other payments required hereunder shall be absolute and unconditional. Lessee shall make these payments when due and shall not withhold any
of these payments pending final resolution of any disputes. The Lessee shall not assert any right of set-off or counterclaim against its obligation to make these payments. Lessee’s obligation to make Rental Payments or other payments shall not be abated through accident, unforeseen circumstances, failure of the Equipment to perform as desired, damage or destruction to the Equipment, loss of possession of the Equipment or obsolescence of the Equipment. The Lessee shall be obligated to continue to make payments required of it by this Agreement if title to, or temporary use of, the Equipment or any part thereof shall be taken under exercise of the power of eminent domain.

ARTICLE V. OPTION TO PREPAY

Section 5.1. Option to Prepay. Lessee shall have the option to prepay its obligations under any Lease in whole but not in part on any Payment Date on or after the Prepayment Option Commencement Date for the then applicable Prepayment Price (which may include a prepayment fee) as set forth in the related Payment Schedule, provided there has been no Non-Appropriation or Event of Default.

Section 5.2. Exercise of Option. Lessee shall give notice to Lessor of its intention to exercise its option not less than thirty (30) days prior to the Payment Date on which the option will be exercised and shall pay to Lessor not later than such Payment Date an amount equal to all Rental Payments and any other amounts then due or past due under the related Lease (including the Rental Payment due on the Payment Date on which the option shall be effective) and the applicable Prepayment Price set forth in the related Payment Schedule. In the event that all such amounts are not received by Lessor on such Payment Date, such notice by Lessee of exercise of its option to prepay shall be void and the related Lease shall continue in full force and effect.

Section 5.3. Release of Lessor’s Interest. Upon receipt of the Prepayment Price in good funds with respect to any Equipment Group, the Lease with respect to such Equipment Group shall terminate and Lessee shall become entitled to such Equipment Group AS IS, WHERE IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE, except that such Equipment Group shall not be subject to any lien or encumbrance created by or arising through Lessor.

ARTICLE VI. REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 6.1. Representations and Warranties of Lessee. Lessee represents and warrants as of the Agreement Date and as of each Lease Date as follows:

(a) Lessee is a state or political subdivision of the State within the meaning of Section 103(c) of the Code, duly organized and existing under the Constitution and laws of the State, and is authorized under the Constitution and laws of the State to enter into this Agreement, each Lease and the transactions contemplated hereby and thereby, and to perform all of its obligations under this Agreement and each Lease.

(b) The execution and delivery of this Agreement and each Lease have been duly authorized by all necessary action of Lessee’s governing body and such action is in compliance with all public bidding and other State and federal laws applicable to this Agreement, each Lease and the acquisition and financing of the Equipment by Lessee.

(c) This Agreement and each Lease have been duly executed and delivered by and constitutes the valid and binding obligation of Lessee, enforceable against Lessee in accordance with their respective terms.

(d) The execution, delivery and performance of this Agreement and each Lease by Lessee shall not (i) violate any State or federal law or local law or ordinance (including, without limitation, any public bidding, open meeting, notice, and procurement requirements), or any order, writ, injunction, decree, or regulation of any court or other governmental agency or body applicable to Lessee, or (ii) conflict with or result in the breach or violation of any term or provision of, or constitute a default under, any note, bond, mortgage, indenture, agreement, deed of trust, lease or other obligation to which Lessee is bound.

(e) There is no action, suit, proceeding, claim, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body pending or, to the best of Lessee’s knowledge, threatened against or affecting Lessee, challenging Lessee’s authority to enter into this Agreement or any Lease or any other action wherein an unfavorable ruling or finding would adversely affect the enforceability of this Agreement or any Lease.

(f) Lessee will furnish Lessor (i) within 180 days after the end of each Fiscal Year of Lessee, a copy of its audited financial statements for such Fiscal Year, which audited financial statements shall include a balance sheet, a statement of revenues, expenses and changes in fund balances for budget and actual, a statement of cash flows, notes, schedules and any attachments to the financial statements; (ii) no later than 10 days prior to the end of each Fiscal Year (commencing with the current Fiscal Year), a copy of Lessee’s current budget or other proof of appropriation for the ensuing Fiscal Year; (iii) promptly after Lessor’s written request, a copy of any interim updates or modifications to Lessee’s adopted budget and such other information relating to Lessee’s ability to continue the Lease Term of each Lease for such Fiscal Year as may be reasonably requested by Lessor; and (iv) promptly, but not later than 30 days after such information is available, after Lessor’s written request, such other financial statements and information as Lessor may reasonably request, including, without limitation, any information relating to the measurement and verification of proposed or guaranteed energy savings. The financial statements described in clause (f)(i) shall be accompanied by an unqualified opinion of Lessee’s auditor. Credit information relating to Lessee
may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns.

(g) Lessee or Lessee’s governing body has appropriated and/or taken other lawful actions necessary to provide moneys sufficient to pay all Rental Payments during the current Fiscal Year, and such moneys will be applied in payment of all Rental Payments due and payable during such current Fiscal Year.

(h) Lessee has an immediate need for, and expects to make immediate use of, the Equipment, which need is not temporary or expected to diminish during the applicable Lease Term. Lessee presently intends to continue each Lease hereunder for its entire Lease Term and to pay all Rental Payments relating thereto.

Section 6.2. Covenants of Lessee. Lessee agrees that so long as any Rental Payments or other amounts due under this Agreement remain unpaid:

(a) Lessee shall not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or regulation or in a manner contrary to that contemplated by this Agreement. Lessee shall obtain and maintain all permits and licenses necessary for the installation and operation of the Equipment. Lessee shall not, without the prior written consent of Lessor, affix or install any accessory equipment or device on any of the Equipment if such addition would change or impair the originally intended functions, value or use of such Equipment.

(b) Lessee shall provide Lessor access at all reasonable times to examine and inspect the Equipment and provide Lessor with such access to the Equipment as may be reasonably necessary to perform maintenance on the Equipment in the event of failure by Lessee to perform its obligations hereunder.

(c) Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, incumbrance or other claim with respect to the Equipment, other than the respective rights of Lessor and Lessee as herein provided. Lessee shall promptly, at its own expense, take such actions as may be necessary duly to discharge or remove any such claim if the same shall arise at any time. Lessee shall reimburse Lessor for any expense incurred by Lessor in order to discharge or remove any such claim.

(d) The person or entity in charge of preparing Lessee’s budget will include in the budget request for each Fiscal Year the Rental Payments to become due during such Fiscal Year, and will use all reasonable and lawful means available to secure the appropriation of money for such Fiscal Year sufficient to pay all Rental Payments coming due therein. Lessor acknowledges that appropriation for Rental Payments is a governmental function which Lessee cannot contractually commit itself in advance to perform. Lessee acknowledges that this Agreement does not constitute such a commitment. However, Lessee reasonably believes that moneys in an amount sufficient to make all Rental Payments can and will lawfully be appropriated and made available to permit Lessee’s continued utilization of the Equipment in the performance of its essential functions during the applicable Lease Terms.

(e) Lessee shall assure that its obligation to pay Rental Payments is not directly or indirectly secured by any interest in property, other than the Equipment, and that the Rental Payments will not be directly or indirectly secured by or derived from any payments of any type or any fund other than Lessee’s general purpose fund.

(f) Upon Lessor’s request, Lessee shall provide Lessor with current financial statements, budgets, and proof of appropriation for the ensuing Fiscal Year and such other financial information relating to the ability of Lessee to continue this Agreement and each Lease as may be reasonably requested by Lessor.

(g) Lessee shall promptly and duly execute and deliver to Lessor such further documents, instruments and assurances and take such further action as Lessor may from time to time reasonably request in order to carry out the intent and purpose of this Agreement and to establish and protect the rights and remedies created or intended to be created in favor of Lessor hereunder.

Section 6.3. Tax Related Representations, Warranties and Covenants.

(a) Incorporation of Tax Agreement and Arbitrage Certificate. As of each Lease Date and with respect to each Lease, Lessee makes each of the representations, warranties and covenants contained in the Tax Agreement and Arbitrage Certificate delivered with respect to such Lease. By this reference each such Tax Agreement and Arbitrage Certificate is incorporated in and made a part of this Agreement.

(b) Event of Taxability. If Lessor either (i) receives notice, in any form, from the Internal Revenue Service or (ii) reasonably determines, based on an opinion of a nationally recognized independent tax counsel, that Lessor may not exclude, for any reason, any Interest (or portion thereof) paid under any Lease from its Federal gross income and/or should any State financial institutions tax or Federal income tax change materially affect Lessor’s anticipated yield (an "Event of Taxability"), the Lessee shall pay to Lessor upon demand (x) an amount which, with respect to Rental Payments previously paid and taking into account all penalties, fines, interest and additions to tax (including all federal, state and local taxes imposed on the Interest due through the date of such event), will restore to Lessor its anticipated after-tax yield (assuming tax at the highest marginal tax rate and taking into account the time of receipt of Rental Payments and reinvestment at the after-tax yield rate) on the transaction evidenced by such Lease through the date of such event and (y) as additional Rental Payments to Lessor on each succeeding Payment Date such amount as will maintain such anticipated after-tax yield to Lessor.

ARTICLE VII. INSURANCE AND RISK OF LOSS
Section 7.1. Liability and Property Insurance. Lessee shall, at its own expense, procure and maintain continuously in effect during each Lease Term: (a) public liability insurance for death or injuries to persons, or damage to property arising out of or in any way connected to the Equipment sufficient to protect Lessor and/or assigns from liability in all events, with a coverage of not less than $1,000,000 per occurrence and either $3,000,000 aggregate for non-titled Equipment or $5,000,000/aggregate for titled Equipment unless specified differently in the related Equipment Schedule, and (b) insurance against such hazards as Lessor may require, including, but not limited to, all-risk casualty and property insurance, in an amount equal to the greater of the full replacement cost of the Equipment or the applicable Prepayment Price of each Equipment Group.

Section 7.2. Workers’ Compensation Insurance. If required by State law, Lessee shall carry workers’ compensation insurance covering all employees on, in, near or about the Equipment, and upon request, shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term.

Section 7.3. Insurance Requirements.

(a) Insurance Policies. All insurance policies required by this Article shall be taken out and maintained with insurance companies acceptable to Lessor and shall contain a provision that thirty (30) days prior to any change in the coverage the insurer must provide written notice to the insured parties. No insurance shall be subject to any co-insurance clause. Each insurance policy shall name Lessor and/or its assigns as an additional insured party and loss payee regardless of any breach of warranty or other act or omission of Lessee and shall include a lender’s loss payable endorsement for the benefit of Lessor and/or is assigns. Prior to the delivery of Equipment, Lessee shall deposit with Lessor evidence satisfactory to Lessor of such insurance and, prior to the expiration thereof, shall provide Lessor evidence of all renewals or replacements thereof.

(b) Self Insurance. With Lessor's prior consent, Lessee may self-insure the equipment by means of an adequate insurance fund set aside and maintained for that purpose which must be fully described in a letter delivered to Lessor in force acceptable to Lessor.

(c) Evidence of Insurance. Lessee shall deliver to Lessor upon acceptance of any Equipment evidence of insurance which complies with this Article VII with respect to each Equipment to the satisfaction of Lessor, including, without limitation, the confirmation of insurance in the form of Exhibit C-1 attached hereto together with Certificates of Insurance, when available, or the Questionnaire for Self-Insurance Rider and Lessor Consent in the form of Exhibit C-2 attached hereto, as applicable.

(d) Payment and Performance Bond. If requested by Lessor, which will be solely in circumstances where the Equipment will not be fully delivered and accepted at the time of funding yet partial payment therefor has been or will be made by Lessor or from an Escrow Account, a payment and performance or other type of surety bond and dual obligee rider ("Bond") is required in form and substance and with such insurer as may be required by Lessor, and Lessee will keep such Bond in effect (or require the Vendor to keep such Bond in effect) and provide Lessor with a evidence of such Bond (and any applicable renewals thereof) at all times until the final Acceptance Certificate is delivered to the Lessor. No disbursements from the Escrow Account will be permitted without evidence of such Bond having been delivered to the Lessor.

Section 7.4. Risk of Loss. To the extent permitted by applicable laws of the State, as between Lessor and Lessee, Lessee assumes all risks and liabilities from any cause whatsoever, whether or not covered by insurance relating to any Lease hereunder, for loss or damage to any Equipment and for injury to or death of any person or damage to any property. Whether or not covered by insurance, Lessee hereby assumes responsibility for and agrees to release, defend, and hold harmless Lessor from all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses, including reasonable attorneys’ fees, imposed on, incurred by or asserted against Lessor that relate to or arise out of this Agreement, including but not limited to, (a) the selection, manufacture, purchase, acceptance or rejection of Equipment or the ownership of the Equipment, (b) the delivery, lease, possession, maintenance, use, condition, return or operation of the Equipment, (c) the condition of the Equipment sold or otherwise disposed of after possession by Lessee, (d) the conduct of Lessee, its officers, employees and agents, (e) a breach of Lessee of any of its covenants or obligations hereunder, (f) any claim, loss, cost or expense involving alleged damage to the environment relating to the Equipment, including, but not limited to investigation, removal, cleanup and remedial costs, and (g) any strict liability under the laws or judicial decisions of any state or the United States. This provision shall survive the termination of this Agreement. Nothing in this Section 7.4 shall be deemed to obligate Lessee to spend any monies with regards to the matters set forth herein that are not properly appropriated, designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.) and/or otherwise legally available. Nothing herein shall be deemed to (a) create an unconstitutional or illegal obligation on the part of the Lessee and (b) be a waiver of any constitutional or statutory waivers, rights, immunities, or privileges, Any provision or requirement of the Agreement which is determined or to be illegal, invalid, or unconstitutional shall be stricken solely to the extent of such invalidity with the remainder of the provisions of the Agreement to be in full force and effect.

Section 7.5. Destruction of Equipment. Lessee shall provide a complete written report to Lessor immediately upon any loss, theft, damage or destruction of any Equipment and of any accident involving any Equipment. Lessor may inspect the Equipment at any time and from time to time during regular business hours. If all or any part of the Equipment is stolen, lost, destroyed or damaged beyond repair or taken by an exercise of eminent domain ("Damaged
Equipment”), Lessee shall within thirty (30) days after such event either: (a) replace the same at Lessee’s sole expense with equipment having substantially similar Specifications and of equal or greater value to the Damaged Equipment immediately prior to the time of the loss occurrence, such replacement equipment to be subject to Lessor’s approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (b) pay the applicable Prepayment Price of the Damaged Equipment determined as set forth in the related Equipment Schedule. Lessee shall notify Lessor of which course of action it will take within fifteen (15) days after the loss occurrence. If, within forty-five (45) days of the loss occurrence, (a) Lessee fails to notify Lessor; (b) Lessee and Lessor fail to execute an amendment to the applicable Equipment Schedule to delete the Damaged Equipment and add the replacement equipment or (c) Lessee has failed to pay the applicable Prepayment Price, then Lessor may, at its sole discretion, declare the applicable Prepayment Price of the Damaged Equipment, to be immediately due and payable from the Net Proceeds and any other legally available or proper appropriated funds. The Net Proceeds of insurance with respect to the Damaged Equipment shall be made available by Lessor to be applied to discharge Lessee’s obligation under this Section.

ARTICLE VIII. OTHER OBLIGATIONS OF LESSEE

Section 8.1. Maintenance of Equipment. Lessee shall notify Lessor in writing prior to moving the Equipment to another address and shall otherwise keep the Equipment at the address specified in the related Equipment Schedule. Lessee shall, at its own expense, maintain the Equipment in proper working order and shall make all necessary repairs and replacements to keep the Equipment in such condition including compliance with State and federal laws. Any and all replacement parts must be free of encumbrances and liens. All such replacement parts and accessories shall be deemed to be incorporated immediately into and to constitute an integral portion of the Equipment and as such, shall be subject to the terms of this Agreement.

Section 8.2. Taxes. Lessee shall pay all taxes and other charges which are assessed or levied against the Equipment, the Rental Payments or any part thereof, or which become due during the Lease Term, whether assessed against Lessee or Lessor, except as expressly limited by this Section. Lessee shall pay all utilities and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment, and all special assessments and charges lawfully made by any governmental body that may be secured by a lien on the Equipment. Lessee shall not be required to pay any federal, state or local income, succession, transfer, franchise, profit, excess profit, capital stock, gross receipts, corporate, or other similar tax payable by Lessor, its successors or assigns, unless such tax is made as a substitute for any tax, assessment or charge which is the obligation of Lessee under this Section.

Section 8.3. Advances. If Lessee shall fail to perform any of its obligations under this Article, Lessor may take such action to cure such failure, including the advancement of money, and Lessee shall be obligated to repay all such advances on demand, with interest at the Default Rate from the date of the advance to the date of repayment.

ARTICLE IX. TITLE

Section 9.1. Title. Except as may be modified on any Schedule hereto or solely if and to the extent as required by any laws of the State, during the Lease Term, ownership and legal title of all Equipment and all replacements, substitutions, repairs and modification shall be in Lessee and Lessee shall take all action necessary to vest such ownership and title in Lessee. Lessor does not own the Equipment and by this Agreement and each Lease is merely financing the acquisition of such equipment for Lessee. Lessor has not been in the chain of title of the Equipment, does not operate, control or have possession of the Equipment and has no control over the Lessee or the Lessee’s operation, use, storage or maintenance of the Equipment.

Section 9.2. Security Interest. Lessee hereby grants to Lessor a continuing, first priority security interest in and to the Equipment, all repairs, replacements, substitutions and modifications thereto and all proceeds thereof (including without limitation any Net Proceeds, warranty payments and guaranteed energy or other savings payments) and in the Escrow Account (if any) in order to secure Lessee’s payment of all Rental Payments and the performance of all other obligations. Lessee hereby authorizes Lessor to prepare and file such financing statements and other such documents to establish and maintain Lessor’s valid first priority lien and perfected security interest. Lessee will join with Lessor in executing such documents and will perform such acts as Lessor may request to establish and maintain Lessor’s valid first priority lien and perfected security interest. If requested by Lessor, Lessee shall obtain a landlord and/or mortgagee’s consent and waiver with respect to the Equipment. If requested by Lessor, Lessee shall conspicuously mark the Equipment, and maintain such markings during the Lease Term, to clearly disclose Lessor’s security interest in the Equipment. Upon termination of a Lease through exercise of Lessor’s option to prepay pursuant to Article V or through payment by Lessee of all Rental Payments and other amounts due with respect to an Equipment Group, Lessor’s security interest in such Equipment Group shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may reasonably request (at the sole cost and expense) to evidence the termination of Lessor’s security interest in such Equipment Group.

Section 9.3. Modification of Equipment. Lessee will not, without the prior written consent of Lessor, affix or install any accessory equipment or device on any of the Equipment if such addition will change or impair the originally intended value, function or use of the Equipment.
Section 9.4. Personal Property. Except as permitted by Lessor in writing in connection to any Equipment Schedules, the Equipment is and shall at all times be and remain personal property and not fixtures.

ARTICLE X. WARRANTIES

Section 10.1. Selection of Equipment. Each Vendor and all of the Equipment have been selected by Lessee. Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, the acceptance by any Vendor or its sales representative of any order submitted, or any delay or failure by such Vendor or its sales representative to manufacture, deliver or install any Equipment for use by Lessee.

Section 10.2. Vendors’ Warranties. Lessor hereby assigns to Lessee for and during the related Lease Term, all of its interest, if any, in all Vendor’s warranties, guarantees and patent indemnity protection, express or implied issued on or applicable to an Equipment Group, and Lessee may obtain the customary services furnished in connection with such warranties and guarantees at Lessee’s expense. Lessor has no obligation to enforce any Vendor’s warranties or obligations on behalf of itself or Lessee.

Section 10.3. Disclaimer of Warranties. LESSEE ACKNOWLEDGES THAT THE EQUIPMENT IS OF A SIZE, DESIGN, CAPACITY, AND MANUFACTURE SELECTED BY LESSEE. LESSEE ACKNOWLEDGES THAT IT SELECTED THE EQUIPMENT WITHOUT ASSISTANCE OF LESSOR, ITS AGENTS OR EMPLOYEES. LESSOR IS NOT A MANUFACTURER OF THE EQUIPMENT OR A DEALER IN SIMILAR EQUIPMENT, AND DOES NOT INSPECT THE EQUIPMENT BEFORE DELIVERY TO LESSEE. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, QUALITY, DURABILITY, SUITABILITY, MERCHANT-ABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE OF THE EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE EQUIPMENT OR LESSEE’S USE OF THE EQUIPMENT.

ARTICLE XI. ASSIGNMENT AND SUBLSEASING

Section 11.1. Assignment by Lessee. Lessor, without Lessee’s consent, may assign and reassign all of Lessor’s right, title and/or interest in and to this Agreement or any Lease, including, but not limited to, the Rental Payments and other amounts payable by Lessee and Lessor’s interest in the Equipment, in whole or in part to one or more assignees or subassignees by Lessor at any time. No such assignment shall be effective as against Lessee unless and until written notice of the assignment is provided to Lessee. When presented with a notice of assignment, Lessee will acknowledge in writing receipt of such notice for the benefit of Lessor and any assignee. Lessee shall keep a complete and accurate record of all such assignments.

Section 11.2. Assignment and Sublicensing by Lessee. Neither this Agreement nor any Lease or any Equipment may be assigned, sublicensed, sold, transferred, pledged or mortgaged by Lessee.

ARTICLE XII. EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The occurrence of any of the following events shall constitute an Event of Default under this Agreement and each Lease:
(a) Lessee’s failure to pay, within ten (10) days following the due date thereof, any Rental Payment or other amount required to be paid to Lessor (other than by reason of Non-Appropriation).
(b) Lessee’s failure to maintain insurance as required by Article VII.
(c) With the exception of the above clauses (a) & (b), Lessee’s failure to perform or abide by any condition, agreement or covenant for a period of thirty (30) days after written notice by Lessor to Lessee specifying such failure and requesting that it be remedied, unless Lessor shall agree in writing to an extension of time prior to its expiration.
(d) Lessor’s determination that any representation or warranty made by Lessee in this Agreement was untrue in any material respect upon execution of this Agreement or any Equipment Schedule.
(e) The occurrence of an Event of Taxability and Lessee’s failure to comply with the provisions of Section 6.3(b).
(f) The filing of a petition in bankruptcy by or against Lessee, or failure by Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Lessee to carry on its governmental functions or assignment by Lessee for the benefit of creditors, or the entry by Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of any adjustment of indebtedness of Lessee, or the dissolution or liquidation of Lessee.

Section 12.2. Remedies on Default. Upon the occurrence of any Event of Default, Lessor shall have the right, at its option and without any further demand or notice to one or more or all of the following remedies:
(a) Lessor, with or without terminating this Agreement or any Lease, may declare all Rental Payments immediately due and payable by Lessee, whereupon such Rental Payments shall be immediately due and payable, together with interest at the Default Rate, but solely from properly appropriated, legally available, or other funds designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.).
(b) Lessor, with or without terminating this Agreement or any Lease, may repossess any or all of the Equipment by giving Lessee written notice to deliver such Equipment in the manner provided in Section 12.3; or in the event Lessor fails to do so within ten (10) days after receipt of such notice, Lessor may enter upon Lessee’s premises where such Equipment is kept and take possession of such Equipment and charge Lessee for all actual and reasonable accrued costs incurred, including reasonable attorneys’ fees. Lessor hereby expressly waives any damages occasioned by such repossession except those resulting from Lessor’s gross negligence or willful misconduct. If the Equipment or any portion has been destroyed, Lessee shall pay the applicable Prepayment Price of the destroyed Equipment as set forth in the related Payment Schedule, but solely from properly appropriated, legally available, or other funds designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.). Regardless of the fact that Lessor has taken possession of the Equipment, Lessee shall continue to be responsible for the Rental Payments due during the Fiscal Year.

(c) If Lessor terminates this Agreement and/or any Lease and, in its discretion, takes possession and disposes of any or all of the Equipment, Lessor shall apply the proceeds of any such disposition to pay the following items in the following order: (i) all costs (including, but not limited to, attorneys’ fees) incurred in securing possession of the Equipment; (ii) all expenses incurred in completing the disposition; (iii) any sales or transfer taxes; (iv) the applicable Prepayment Prices of the Equipment Groups; (v) the balance of any Rental Payments owed by Lessee during the Fiscal Year then in effect; and (vi) interest on any of the foregoing at the Default Rate. Any disposition proceeds remaining after the requirements of Clauses (i), (ii), (iii), (iv), (v) and (vi) have been met shall be paid to Lessee.

(d) Lessor may take any other remedy available, at law or in equity, with respect to such Event of Default, including those sounding in mandamus, specific performance/enforcement, or otherwise requiring Lessee to perform any of its obligations or to pay any moneys due and payable to Lessor, and Lessee shall pay the actual reasonable attorneys’ fees and other costs and expenses incurred by Lessor in enforcing any remedy permitted and exercised hereunder together with interest at the Default Rate.

(e) Each of the foregoing remedies is cumulative and may be enforced separately or concurrently. All monetary damages and/or payment remedies set forth in this Section 12, shall be payable solely from properly appropriated, legally available, or other funds designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.). In no event shall the rights and remedies herein constitute a debt, illegal or unconstitutional undertaking of the Lessee or its governing body.

Section 12.3. Return of Equipment: Release of Lessee’s Interest. Upon termination of any Lease prior to the payment of all related Rental Payments or the applicable Prepayment Price (whether as result of Non- Appropriation or Event of Default), Lessee shall, within ten (10) days after such termination, at its own expense: (a) perform any testing and repairs required to place the related Equipment in the condition required by Article VIII; (b) if deinstallation, disassembly or crating is required, cause such Equipment to be deinstalled, disassembled and crated by an authorized manufacturer’s representative or such other service person as is satisfactory to Lessor; and (c) return such Equipment to a location specified by Lessor, freight and insurance prepaid by Lessee. If Lessee refuses to return such Equipment in the manner designated, Lessor may repossess the Equipment without demand or notice and without court order or legal process and charge Lessee the costs of such repossession. Upon termination of this Agreement in accordance with Article III or Article XII hereof, at the election of Lessor and upon Lessor’s written notice to Lessee, full and unencumbered legal title and ownership of the Equipment shall pass to Lessor. Lessee shall have no further interest therein. Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of legal title and ownership to Lessor and termination of Lessee’s interest in the Equipment.

Section 12.4. Late Charge. Lessor shall have the right to require late payment charge for each Rental or any other amount due hereunder which is not paid within 10 days of the date when due equal to the lesser of 5% of each late payment or the legal maximum. For any Rent Payment and other amount not paid within 30 days of the due date, Lessor shall have the right to resume interest thereon at the Default Rate which shall accrue from the due date. This Section is only applicable to the extent it does not affect the validity of this Agreement.

ARTICLE XIII. MISCELLANEOUS PROVISIONS

Section 13.1. Notices. All written notices to be given under this Agreement shall be given by mail to the party entitled thereto at its address specified beneath each party’s signature, or at such address as the party may provide to the other parties hereunder in writing from time to time. Any such notice shall be deemed to have been received 72 hours after deposit in the United States mail in registered or certified form, with postage fully prepaid, or, if given by other means, when delivered at the address specified in this Section 13.1.

Section 13.2. Binding Effect. This Agreement and each Lease hereunder shall be binding upon and shall inure to the benefit of Lessor and Lessee and their respective successors and assigns. Specifically, as used herein the term “Lessor” means any person or entity to which Lessor has assigned its right to receive Rental Payments under any Lease.

Section 13.3. Severability. In the event any provision of this Agreement or any Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 13.4. Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the parties with
respect to the subject matter hereof and supersedes all prior and contemporaneous writings, understandings, agreements, solicitation documents and representations, express or implied. This Agreement may be amended or modified only by written documents duly authorized, executed and delivered by Lessor and Lessee.

**Section 13.5. Captions.** The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions, Articles, Sections or Clauses hereof.

Further Assurances and Corrective Instruments.** Lessor and Lessee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Equipment hereby leased or intended so to be, or for otherwise carrying out the expressed intention of this Agreement. Lessee hereby authorizes Lessor to file any financing statement or supplements thereto as may be reasonably required for correcting any inadequate description of the Equipment hereby leased or intended so to be, or for otherwise carrying out the expressed intention of this Agreement.

**Section 13.7. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State.

**Section 13.8. Usury.** It is the intention of the parties hereto to comply with any applicable usury laws; accordingly, it is agreed that, notwithstanding any provisions to the contrary herein or in any Equipment Schedule, in no event shall this Agreement or any Lease hereunder require the payment or permit the collection of Interest or any amount in the nature of Interest or fees in excess of the maximum amount permitted by applicable law. Any such excess Interest or fees shall first be applied to reduce Principal, and when no Principal remains, refunded to Lessee. In determining whether the Interest paid or payable exceeds the highest lawful rate, the total amount of Interest shall be spread through the applicable Lease Term so that the Interest is uniform through such term.

**Section 13.9. Lessee's Performance.** A failure or delay of Lessor to enforce any of the provisions of this Agreement or any Lease shall in no way be construed to be a waiver of such provision.

**Section 13.10. Waiver of Jury Trial.** Except as prohibited by the laws and/or constitution of the State, Lessor and Lessee hereby waive any right to trial by jury in any action or proceeding with respect to, in connection with or arising out of this Agreement.

OPINION OF LESSEE’S COUNSEL

January 22, 2020

Signature Public Funding Corp.
600 Washington Avenue, Suite 305
Towson, Maryland 21204

Re: Equipment Schedule No. 001 dated January 22, 2020 to that certain Master Equipment Lease-Purchase Agreement dated January 22, 2020

Ladies and Gentlemen:

As counsel to the City of Fredericksburg (the “Lessee”), I have examined the Master Equipment Lease-Purchase Agreement dated [Date] and Equipment Schedule No. 001 thereto dated January 22, 2020 (collectively, the “Lease Agreement”), between the Lessee and Signature Public Funding Corp., as lessor (“Lessor”), and the proceedings taken by the Governing Body of the Lessee to authorize on behalf of the Lessee the execution and delivery of the Lease Agreement. The Lease Agreement is herein collectively referred to as the “Transaction Documents.” Based upon the foregoing examination and upon an examination of such other documents and matters of law as I have deemed necessary or appropriate, I am of the opinion that:

1. The Lessee is a [describe entity type], which is a body corporate & politic duly established and validly existing as a political subdivision of the State of Texas under the Constitution and laws of the State of Texas with full power and authority to enter into the Transaction Documents.

2. The Transaction Documents have each been duly authorized, executed, and delivered by the Lessee and are in full compliance with all local, state and federal laws. Assuming due authorization, execution and delivery thereof by Lessor, the Transaction Documents constitute legal, valid, and binding obligations of the Lessee, enforceable against the Lessee in accordance with their respective terms, subject to any applicable bankruptcy, insolvency, moratorium or other laws or equitable principles affecting the enforcement of creditors’ rights generally. The execution of the Transaction Documents and the appropriation of monies due under the Lease Agreement will not result in the violation of any constitutional, statutory or limitation relating to the manner, form or amount of indebtedness which may be incurred by the Lessee.

3. The Equipment to be leased pursuant to the Lease Agreement constitutes personal property and, when subjected to use by the Lessee, will not be a fixture under applicable law.

4. The Lessee has complied with all applicable statutes, laws, rules, regulations, notice and public bidding requirements, including, without limitation, [insert statutes if applicable], in connection with the Transaction Documents and the transactions contemplated thereby. The resolution adopted by the Governing Body of the Lessee authorizing the execution and delivery of the Transaction Documents and certain other matters was adopted at a meeting that was held in compliance with all applicable laws relating to the holding of open and public meetings. No approval, consent or withholding of objections is required from any State, federal or local governmental authority or instrumentality with respect to the entry into or performance by Lessee of its obligations under the Transaction Documents, except as have already been obtained.

5. No litigation or proceeding is pending or, to the best of my knowledge, threatened to restrain or enjoin the execution, delivery, or performance by the Lessee of the Transaction Documents or in any way to contest the validity of the Transaction Documents, to contest or question the creation or existence of the Lessee or the governing body of the Lessee or the authority or ability of the Lessee to execute or deliver the Transaction Documents or to comply with or perform its obligations thereunder. There is no litigation pending or, to the best of my knowledge,
threatened seeking to restrain or enjoin the Lessee from annually appropriating sufficient funds to pay the rental payments or other amounts contemplated by the Lease Agreement. The entering into and performance of the Transaction Documents do not and will not violate any judgment, order, law, or regulation applicable to the Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon any assets of the Lessee or on the Equipment (as such term is defined in the Lease Agreement) pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement, or other instrument to which the Lessee is a party or by which it or its assets may be bound.

6. The Lessee has covenanted to comply with any continuing requirements that may be necessary to preserve the exclusion from gross income for purposes of federal income taxation under the Internal Revenue Code of 1986, as amended ("Code"), of the portion of the Rental Payments designated as interest. In the event that the Lessee continuously complies with its covenants under the Transaction Documents and so long as the amounts payable to the Lessor are derived from the Rental Payments made by the Lessee, the portion of the Rental Payments designated as interest is not includible in gross income for federal income tax purposes under the current law. No opinion is expressed as to the tax treatment of payments made to the Lessor from sources other than from Rental Payments made by the Lessee. The Lease Agreement and the obligation to pay Rental Payments thereunder as represented by the Lease Agreement are not "specified private activity bonds" as such term is defined in the Code and the portion of the Rental Payments designated as interest is not includible as an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax. However, the portion of Rental Payments designated as interest and received by the Lessor may be subject to an alternative minimum tax. Except as set forth in paragraphs 6 and 7 herein, we express no opinion regarding other federal tax consequences arising with respect to the Lease Agreement.

7. The Lessee has validly designated the Lease as a "qualified tax exempt obligation" as defined in and for the purposes of Section 265(b)(3) of the Code.

This opinion may be relied upon by purchasers and assignees of Lessor's interests in the Lease Agreement.

Respectfully submitted,
EXHIBIT G

BANK-QUALIFIED DESIGNATION

The City of Fredericksburg, as lessee, (the "Lessee") under Equipment Schedule No. 001 dated as of January 22, 2020 to that certain Master Equipment Lease-Purchase Agreement dated as of January 22, 2020 (collectively, the "Lease") to which this Designation is attached, hereby designates the Lease as a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Lessee hereby represents that the Lessee reasonably anticipates that the Lessee and other entities that the Lessee controls will not issue tax-exempt obligations (including the Lease) the aggregate principal amount of which exceed $10,000,000 during the calendar year in which the Lease is executed and delivered and interest commences to accrue thereunder.

This Designation is attached to and made a part of the Lease and inures to the benefit of the Lessor and its successors and/or assigns.

EXECUTED as of this 22nd day of January, 2022.

TAX & ARBITRAGE CERTIFICATE

Dated: January 22, 2020

The following certificate is delivered in connection with the execution and delivery of Equipment Schedule No. 001 dated January 22, 2020 to that certain Master Equipment Lease-Purchase Agreement dated January 22, 2020 (collectively, the "Lease Agreement"), entered into between the City of Fredericksburg (the "Lessor") and Signature Public Funding Corp. (the "Lessor"). Capitalized terms used herein have the meanings defined in the Lease Agreement.

Section 1. In General.

1.1. This Certificate is executed for the purpose of establishing the reasonable expectations of Lessor as to future events regarding the financing of certain equipment (the "Equipment") to be acquired by Lessor and leased to Lessee pursuant to and in accordance with the Equipment Schedule executed under the Agreement (together with all related documents executed pursuant thereto and contemporaneously herewith, the "Financing Documents"). As described in the Financing Documents, Lessor shall apply $811,900.31 (the "Principal Amount") toward the acquisition of the Equipment and closing costs, and Lessee shall make Rental Payments under the terms and conditions as set forth in the Financing Documents.

1.2. The individual executing this Certificate on behalf of Lessee is an officer of Lessee delegated with the responsibility of reviewing and executing the Financing Documents, pursuant to the resolution or other official action of Lessee adopted with respect to the Financing Documents, a copy of which has been delivered to Lessor.

1.3. The Financing Documents are being entered into for the purpose of providing funds for financing the cost of acquiring, equipping and installing the Equipment which is essential to the governmental functions of Lessee, which Equipment is described in the Equipment Schedule.

1.4. Lessee will timely file for each payment schedule issued under the Lease a Form 8038-G (or, if the invoice price of the Equipment under such schedule is less than $100,000, a Form 8038-GC) relating to such Lease with the Internal Revenue Service in accordance with Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code").

1.5. The Equipment Schedule No. is a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. As such, the Lessee hereby represents that the Lessee reasonably anticipates that the Lessee and other entities that the Lessee controls will not issue tax-exempt obligations (including the Equipment Schedule) the aggregate principal amount of which exceed $10,000,000.00 during the calendar year in which Equipment Schedule is executed and delivered and interest commences to accrue thereunder.

Section 2. Non-Arbitrage Certifications.

2.1. The Rental Payments due under the Financing Documents will be made with monies retained in Lessee's general operating fund (or an account or subaccount therein). No sinking, debt service, reserve or similar fund or account will be created or maintained for the payment of the Rental Payments due under the Financing Documents or pledged as security therefor.

2.2. There have been and will be issued no obligations by or on behalf of Lessee that would be deemed to be (i) issued or sold within fifteen (15) days before or after the date of issuance of the Financing Documents, (ii) issued or sold pursuant to a common plan of financing with the Financing Documents and (iii) paid out of substantially the same source of funds as, or deemed to have substantially the same claim to be paid out of substantially the same source of funds as, the Financing Documents.

2.3. Lessee does not and will not have on hand any funds that are or will be restricted, segregated, legally required or otherwise intended to be used, directly or indirectly, as a substitute, replacement or separate source of financing for the Equipment.

2.4. No portion of the Principal Amount is being used by Lessee to acquire investments which produce a yield materially higher than the yield realized by Lessor from Rental Payments received under the Financing Documents.

2.5. The Principal Amount does not exceed the amount necessary for the governmental purpose for which the Financing Documents were entered into. Such funds are expected to be needed and fully expended for payment of the costs of acquiring, equipping and installing the Equipment.

2.6. Lessee does not expect to convey, sublease or otherwise dispose of the Equipment, in whole or in part, at a date which is earlier than the final Payment Date under the Financing Documents.

Section 3. Disbursement of Funds: Reimbursement to Lessee.

3.1. It is contemplated that the entire Principal Amount will be used to pay the acquisition cost of Equipment to the Vendors or manufacturers thereof or for any financial advisory or closing costs, provided that, if applicable, a portion of the principal amount may be paid to Lessee as reimbursement for acquisition cost payments already made by it so long as the conditions set forth in Section 3.2 below are satisfied.

3.2. Lessee shall not request that it be reimbursed for Equipment acquisition cost payments already made by it unless each of the following
conditions have been satisfied:
(a) Lessee adopted a resolution or otherwise declared its official intent in accordance with Treasury Regulation § 1.150-2 (the “Declaration of Official Intent”), wherein Lessee expressed its intent to be reimbursed from the proceeds of a borrowing for all or a portion of the cost of the Equipment, which expenditure was paid to the Vendor not earlier than sixty (60) days before Lessee adopted the Declaration of Official Intent;
(b) The reimbursement being requested will be made by a written allocation before the later of eighteen (18) months after the expenditure was paid or eighteen (18) months after the items of Equipment to which such payment relates were placed in service;
(c) The entire payment with respect to which reimbursement is being sought is a capital expenditure, being a cost of a type properly chargeable to a capital account under general federal income tax principles; and
(d) Lessee will use any reimbursement payment for general operating expenses and not in a manner which could be construed as an artifice or device under Treasury Regulation § 1.148-10 to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements.

Section 4. Use and Investment of Funds: Temporary Period.
4.1. Lessee has incurred or will incur, within six (6) months from the date of issuance of the Financing Documents, binding obligations to pay an amount equal to at least five percent (5%) of the Principal Amount toward the costs of the Equipment. An obligation is not binding if it is subject to contingencies within Lessee’s control. The ordering and acceptance of the items of Equipment will proceed with due diligence to the date of final acceptance of the Equipment.
4.2. An amount equal to at least eighty-five percent (85%) of the Principal Amount will be expended to pay the cost of the Equipment by the end of the three-year period commencing on the date of this Certificate. No portion of the Principal Amount will be used to acquire investments that do not carry out the governmental purposes of the Financing Documents and that have a substantially guaranteed yield of four (4) years or more.
4.3. (a) Lessee covenants and agrees that it will rebate an amount equal to excess earnings on the Principal Amount deposited under the Escrow Agreement to the Internal Revenue Service if required by, and in accordance with, Section 148(f) of the Code, and make the annual determinations and maintain the records required by and otherwise comply with the regulations applicable thereto. Lessee reasonably expects to cause the Equipment to be acquired by January 22, 2020, but not later than July 22, 2021 (ie. 18 months from funding date).
(b) Lessee will provide evidence to Lessor that the rebate amount has been calculated and paid to the Internal Revenue Service in accordance with Section 148(f) of the Code unless (i) the entire Principal Amount is expended on the Equipment by the date that is the six-month anniversary of the Financing Documents or (ii) the Principal Amount is expended on the Equipment in accordance with the following schedule: At least fifteen percent (15%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within six months from the date of issuance of the Financing Documents; at least sixty percent (60%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within 12 months from the date of issuance of the Financing Documents; and one hundred percent (100%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment prior to eighteen (18) months from the date of issuance of the Financing Documents.
(c) Lessee hereby covenants that (i) Lessee is a governmental unit with general tax powers; (ii) the Lease is not a “private activity bond” under Section 141 of the Code; (iii) at least ninety-five percent (95%) of the Principal Amount is used for the governmental activities of Lessee; and (iv) the aggregate principal amount of all tax-exempt obligations (including the Lease) issued by Lessee and its subordinate entities, if any, during the current calendar year is not reasonably expected to exceed $10,000,000. Accordingly, the rebate requirements of Section 148(f) of the Code are treated as being met, in lieu of the spending exceptions set forth in paragraph (b) above.

Section 5. Escrow Account, Reserved.

Section 6. No Private Use; No Consumer Loan.
6.1. Lessee will not exceed the private use restrictions set forth in Section 141 of the Code. Specifically, Lessee will not permit more than 10% of the Principal Amount to be used for a Private Business Use (as defined herein) if, in addition, the payment of more than ten percent (10%) of the Principal Amount plus interest earned thereon is, directly or indirectly, secured by (i) any interest in property used or to be used for a Private Business Use or (ii) any interest in payments in respect of such property or derived from any payment in respect of property or borrowed money used or to be used for a Private Business Use.
6.2 In addition, if both (A) more than five percent (5%) of the Principal Amount is used as described above with respect to Private Business Use and (B) more than five percent (5%) of the Principal Amount plus interest earned thereon is secured by Private Business Use property or payments as described above, then the excess over such five percent (5%) (the “Excess Private Use Portion”) will be used for a Private Business Use related to the governmental use of the Equipment. Any such Excess Private Use Portion of the Principal Amount will not exceed the portion of the Principal Amount used for the governmental use of the particular project to which such Excess Private Use Portion is related. For purposes of this paragraph 6.3, “Private Business Use” means use of bond proceeds or bond-financed-property directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and excluding use as a member of the general public.
6.4. No part of the Principal Amount or interest earned thereon will be used, directly or indirectly, to make or finance any loans to non-governmental entities or to any governmental agencies other than Lessee.
Section 7. No Federal Guarantee.
7.1. Payment of the principal or interest due under the Financing Documents is not directly or indirectly guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof.
7.2. No portion of the Principal Amount or interest earned thereon shall be (i) used in making loans the payment of principal or interest of which are to be guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof, or (ii) invested, directly or indirectly, in federally insured deposits or accounts if such investment would cause the financing under the Financing Documents to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 8. Miscellaneous.
8.1. Lessee shall keep a complete and accurate record of all owners or assignees of the Financing Documents in form and substance satisfactory to comply with the registration requirements of Section 149(a) of the Code unless Lessor or its assignee agrees to act as Lessee's agent for such purpose.
8.2. Lessee shall maintain complete and accurate records establishing the expenditure of the Principal Amount and interest earnings thereon for a period of five (5) years after payment in full under the Financing Documents.
8.3. To the best of the undersigned's knowledge, information and belief, the above expectations are reasonable and there are no other facts, estimates or circumstances that would materially change the expectations expressed herein.
8.4. The Lessee confirms and acknowledges that its true and correct tax identification number is: 74-6000874 and full, true and correct legal name is CITY OF FREDERICKSBURG. Lessee confirms that it is located in County of Gillespie, State of Texas.
8.5. The Lessee has adopted, by resolution, separate written procedures regarding ongoing compliance with federal tax requirements necessary to keep, ensure and maintain the interest portions of the Rental Payments under the Financing Documents as excluded from Lessor's gross income for federal income tax purposes, and will, on an annual basis, conduct an audit of the Financing Documents to ensure compliance with such procedures.

IN WITNESS WHEREOF, this Tax & Arbitrage Certificate has been executed on behalf of Lessee as of January 22, 2020.

SUBJECT: Public Hearing on the Voluntary annexation of approximately 13.395 acres proposed as Stone Ridge Unit 10 located near the intersection of Lower Crabapple Road and Ellebracht Drive (2nd of Two Hearings)

Summary:
The annexation consists of approximately 13.4 acres of land situated in Gillespie County, Texas along the south side Lower Crabapple Road and Ellebracht Drive, in the Stone Ridge development. As you can see from the overall plan of Stone Ridge, there will be one remaining phase to complete the project. There are currently 345 lots within Stone Ridge, and this phase will bring the total to 372 lots. The required public hearings are scheduled for January 6 and January 21, 2020. The Institution of Annexation Proceedings is scheduled for the weeks of February 10, 2020 (see attached annexation schedule).

On January 8, 2020, the Planning and Zoning Commission is scheduled to consider establishing R-1, Single Family Residential zoning on the property. This will be consistent with the previous phases of Stone Ridge. The City Council is scheduled to hold a public hearing on the zoning on January 21, 2020.

Recommendation:

Conduct the Public Hearing, no action is required.

Background / Analysis:
Over the years, Stone Ridge has annexed and zoned the individual phases as they are developed. All public improvements, including utilities, drainage and streets will be the responsibility of the developer.

Summary: Over the years, Stone Ridge has annexed and zoned the individual phases as they are developed. The Unit 10 area is located in the northwest portion of the project, near the corner of Lower Crabapple Road and Ellebracht Drive (see the attached exhibit). The proposed R-1, Single Family Residential zoning is consistent with the remainder of the development and previous phases, and the Land Use Plan of the Comprehensive Plan.

Recommendation: Approval of the R-1 Single Family Residential zoning.

Background / Analysis: The City Council will be considering the annexation of this property while we are reviewing the zoning and considering the Preliminary Plat of Stone Ridge Unit 10. As you can see from the attached Schedule, we would anticipate the annexation, zoning and platting to be completed sometime after the Institution of Annexation Proceedings in February 2020.

SUBJECT: Consider the Annexation of approximately 91.24 acres of land situated in Gillespie County, Texas and located along the south side of W. Live Oak Street, west of Post Oak road and the current City Limits

Summary:

The annexation originally consisted of approximately 117.1 acres of land situated in Gillespie County, Texas along the south side of W. Live Oak Street, as shown on the accompanying map. Five property owners elected to sign the Pre-Annexation Development Agreement, resulting in the reduction of the area to 91.24 acres. The properties electing not to be annexed are reflected on the map attached to the Annexation Ordinance. The area consists primarily of properties located along the south side of W. Live Oak Street extending from east of Post Oak Road to west of Smokehouse Road. The property is characterized by primarily residences, vacant land and some commercial businesses.

Recommendation:

At the previous meeting, one of the area residents questioned whether or not proper notices were posted on the City’s website. After reviewing the notifications and advertisements related to this annexation process, we have been unable to verify that the information was posted on the City’s website as required by statute. While we certainly believe we are in substantial compliance with the intent of statutory notification requirements, especially since we have sent numerous letters to property owners and posted notices in the newspaper, we believe it would be prudent to reschedule the hearings. As such, we recommend that we re-start the notification and Public Hearing process in accordance with the schedule attached.
Background / Analysis:

At the retreat in January, 2018, the City Council prioritized areas of the community for annexation. After the U.S. Highway 290 East corridor, the W. Live Oak Street area was determined as the next highest priority. On August 2, 2019, letters were sent to property owners who have a tax exemption for agricultural, wildlife or timber purposes, offering them a pre-annexation development agreement. This agreement allowed these property owners the ability not to be annexed as long as their property remained undeveloped and met certain requirements. A total of 7 properties qualified for the pre-annexation development agreement. Five property owners have signed the agreement and the Pre-Annexation Development Agreements have been finalized.

On September 6, 2019, letters were sent to all property owner’s whose properties were included in the proposed annexation, advising them of the public hearing dates. The required public hearings were held October 7 and October 21, 2019, and the Institution of Annexation Proceedings was conducted November 12, 2019. Public Hearings on the Zoning and Land Use Plan were held October 8, 2019 (Planning and Zoning Commission) and October 21, 2019 (City Council). Favorable approval was given for both actions.

The City is required by statute to prepare a Service Plan for the areas being considered for annexation. The plan sets forth the timing and responsibilities for providing public services. Approval of the Service Plan is required. In addition to the Service Plan for the tracts being annexed, a separate Annexation Agreement has been requested by Mr. Bobby Stewart who owns the property at 740 W. Live Oak Street. Mr. Stewart has been working with the City for a while to develop an apartment complex on his site. Because a portion of Mr. Stewart’s property fronting on Post Oak Road is in the process of being sold to LCRA, he has requested that his utilities be extended to the western edge of his property along Live Oak Street. We have revised the Utility extension plan to accommodate this request. The additional cost associated with the request is estimated to be approximately $138,000.

Summary:
The attached ordinance approves the issuance of $2.3 million in Electric System Revenue Notes to finance the construction of the new Electric Services Center. Bids will be open for these notes this Friday. The recommended bid will be provided by Dan Wegmiller at Monday’s Council meeting. Once the notes are issued, payments will be made from the Electric Fund and no funding will be provided by the General Fund or any other funds.

Recommendation:
It is recommended that the City Council approve the attached ordinance approving the issuance of the Electric System Revenue Notes with the addition financing information provided by Dan Wegmiller at the meeting.

Background / Analysis:
During the past year, the City has worked with Steve Thomas in designing a new facility for the operation of our Electric Department. Plans for the construction of this facility were recently completed and approved. The low bid of $2,115,284 from Kendnel Kasper Construction Company was approved at the last Council meeting. Approval of this financing will allow us to start construction with completion scheduled in about 12 months.

The Notes shall bear interest on the unpaid principal amount thereof at the per annum rates shown above, computed on the basis of a 360-day year of twelve 30-day months, and interest thereon shall be payable on February 15 and August 15 of each year (each, an Interest Payment Date), commencing August 15, 2020, while the Notes are Outstanding.

SECTION 3: Payment of Notes - Interest Payments - Paying Agent/Registrar. The principal of, premium, if any, and interest on the Notes, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable, without exchange or collection charges to the Holder (as hereinafter defined), appearing on the registration and transfer books maintained by the Paying Agent/Registrar (hereinafter defined), in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Notes shall be without exchange or collection charges to the Holder (as hereinafter defined) of the Notes.

The selection and appointment of __________________________ (the Paying Agent/Registrar), to serve as the initial Paying Agent/Registrar for the Notes is hereby approved and confirmed, and the City agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the Security Register) for the registration, payment, and transfer of the Notes, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached, in substantially final form, as Exhibit A hereto, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Notes are Outstanding, and any successor Paying Agent/Registrar shall be (i) a national or state banking institution or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and authorized by law to serve as a Paying Agent/Registrar.
The City reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Notes by United States Mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of, premium, if any, and interest on the Notes, due and payable by reason of Stated Maturity, redemption or otherwise, shall be payable only to the registered owner of the Notes appearing on the Security Register (the Holder or Holders) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest thereon, (ii) on the date of surrender of the Notes for purposes of receiving payment of principal thereof upon redemption of the Notes or at the Notes’ Stated Maturity or upon redemption of the Notes, and (iii) on any other date for any other purpose. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Note for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of, and premium, if any, on the Notes shall be payable only upon presentation and surrender of the Notes to the Paying Agent/Registrar at its corporate trust office (provided, however, with respect to principal payments prior to the final Stated Maturity, the Notes need not be surrendered to the Paying Agent/Registrar, who will merely document this payment on an internal ledger maintained by the Paying Agent/Registrar). Interest on the Notes shall be paid to the Holder whose name appears in the Security Register at the close of business on the last business day of the month next preceding an Interest Payment Date for the Notes (the Record Date) and shall be paid (i) by check sent on or prior to the appropriate date of payment by United States Mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder’s risk and expense.

If the date for the payment of the principal of, premium, if any, or interest on the Notes shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Notes was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the Special Payment Date - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.
SECTION 4: Redemption.

(a) Optional Redemption. The Notes having Stated Maturities on and after August 15, 2024 shall be subject to redemption prior to Stated Maturity, at the option of the City, on August 15, 2023, or on any date thereafter, as a whole or in part, in principal amounts of $5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

(b) Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Notes (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem Notes, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem Notes shall be entered in the minutes of the governing body of the City.

(c) Selection of Notes for Redemption. If less than all Outstanding Notes of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Notes to be redeemed, provided that if less than the entire principal amount of a Note is to be redeemed, the Paying Agent/Registrar shall treat such Note then subject to redemption as representing the number of Notes Outstanding which is obtained by dividing the principal amount of such Note by $5,000.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Notes, the Paying Agent/Registrar shall cause a notice of redemption to be sent by United States Mail, first-class postage prepaid, in the name of the City and at the City’s expense, by the Paying Agent/Registrar to each Holder of a Note to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, The Note Buyer and The Wall Street Journal), or in the State of Texas (including, but not limited to, The Texas Note Reporter).

All notices of redemption shall (i) specify the date of redemption for the Notes, (ii) identify the Notes to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Notes, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Notes, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder.

If a Note is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Note (or the
principal amount (thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Notes (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on said Notes (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue, and such Notes shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

(e) Transfer/Exchange. Neither the City nor the Paying Agent/Registrar shall be required to (i) transfer or exchange any Note during a period beginning forty-five (45) days prior to the date fixed for redemption of the Notes or (ii) to transfer or exchange any Note selected for redemption, provided; however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Note which is subject to redemption in part.

SECTION 5: Execution - Registration. The Notes shall be executed on behalf of the City by its Mayor or Mayor Pro Tem, its seal reproduced or impressed thereon, and attested by its City Secretary. The signature of any of said officers on the Notes may be manual or facsimile. Notes bearing the manual or facsimile signatures of individuals who were, at the time of the Note Date, the proper officers of the City shall bind the City, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Notes to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Note shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Note either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly certified or registered and delivered.

SECTION 6: Registration - Transfer - Exchange of Notes - Predecessor Notes. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Notes, or, if appropriate, the nominee thereof. Any Note may, in accordance with its terms and the terms hereof, be transferred or exchanged for Notes of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Note to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Note at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Notes of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Note or Notes surrendered for transfer.
At the option of the Holder, Notes may be exchanged for other Notes of the same series and of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Notes surrendered for exchange upon surrender of the Notes to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Notes are so surrendered for exchange, the City shall execute, and the Paying Agent/Registrar shall register and deliver, the Notes, to the Holder requesting the exchange.

All Notes issued upon any transfer or exchange of Notes shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon such transfer or exchange.

All transfers or exchanges of Notes pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any fee, tax or other governmental charges required to be paid with respect to such transfer or exchange.

Notes cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Notes, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Note or Notes registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Notes shall include any Note registered and delivered pursuant to Section 30 in lieu of a mutilated, lost, destroyed, or stolen Note which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Note.

SECTION 7: Initial Note. The Notes herein authorized shall be issued initially either as a single fully-registered Note in the total principal amount of $__________ with principal installments to become due and payable as provided in Section 2 and numbered T-1, or as one (1) fully-registered Note for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the Initial Note) and, in either case, the Initial Note shall be registered in the name of the Purchasers or the designee thereof. The Initial Note shall be the Notes submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Note, the Paying Agent/Registrar, upon written instructions from the Purchasers or their designee, shall cancel the Initial Note delivered hereunder and exchange therefor definitive Notes of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates, on the unpaid principal amounts from the Closing Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, to Stated Maturity, and shall be lettered “R” and numbered consecutively from one (1) upward for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

This Note is one of the series specified in its title issued in the aggregate principal amount of $2,300,000 (the Notes) pursuant to an ordinance adopted by the governing body of the City (the Ordinance), for the purpose of (i) building, improving, extending, enlarging, equipping and repairing the System and (ii) paying the costs of issuing the Notes. The Notes stated to mature on and after August 15, 2024 may be redeemed prior to their Stated Maturities, at the option of the City, on August 15, 2023, or on any date thereafter, in whole or in part in principal amounts of $5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar at the redemption price of par, together with accrued interest to the date of redemption, and upon thirty (30) days prior written notice being given by United States Mail, first-class postage prepaid, to Holders of the Notes to be redeemed, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Note is subject to redemption prior to Stated Maturity and is in a denomination in excess of $5,000, portions of the principal sum hereof in installments of $5,000 or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Note to the Paying Agent/Registrar at its corporate trust office, a new Note or Notes of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

If this Note (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption has been duly given, then upon such redemption date this Note (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Note is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Note within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Notes of this series are special obligations of the City payable from and equally and ratably secured solely by a first and prior lien on and pledge of the Pledged Revenues, comprised primarily of Net Revenues of the City derived from its ownership and operation of the City's combined water and wastewater system (as further described and defined in the Ordinance, the System). In the Ordinance, the City retains the right to issue Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, or Limited Pledge Obligations without limitation as to principal amount but subject to any terms, conditions, or restrictions set forth in the Ordinance as may be applicable thereto under law or otherwise. The Notes do not constitute a

The Holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Note, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Notes of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Note as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the Special Payment Date - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Note in order to render the same a legal, valid, and binding special obligation of the City have been performed, exist, and have been done, in regular and due time, form, and manner, as required by the laws of
the State of Texas and the Ordinance, and that issuance of the Notes does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Notes by a pledge of and lien on the Pledged Revenues of the System. In case any provision in this Note or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Note and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

SECTION 10: Pledge of Pledged Revenues. (a) The City hereby covenants and agrees that the Pledged Revenues of the System are hereby irrevocably pledged to the payment and security of the Obligations Similarly Secured including the establishment and maintenance of the special funds or accounts created and established for the payment and security thereof, all as hereinafter provided; and it is hereby ordained that the Obligations Similarly Secured, and the interest thereon, shall constitute a first and prior lien on and pledge of the Pledged Revenues of the System and be valid and binding without any physical delivery thereof or further act by the City, and the lien created hereby on the Net Revenues of the System resulting from this lien on and pledge of the Pledged Revenues for the payment and security of the Obligations Similarly Secured shall be prior in right and claim as to the lien on and pledge of the Net Revenues securing payment of any Junior Lien Obligations, Subordinate Lien Obligations, or Limited Pledge Obligations hereafter issued by the City.

SECTION 11: Rates and Charges. For the benefit of the Holders of the Obligations Similarly Secured and in addition to all provisions and covenants in the laws of the State of Texas and in this Ordinance, the City hereby expressly stipulates and agrees, while any of the Obligations Similarly Secured are Outstanding, to establish and maintain rates and charges for facilities and services afforded by the System that are reasonably expected, together with any other lawfully available funds, on the basis of available information and experience and with due allowance for contingencies, to produce Gross Revenues in each Fiscal Year sufficient:

(a) To pay all Maintenance and Operating Expenses, or any expenses required by statute to be a first claim on and charge against the Gross Revenues of the System;

(b) To produce Pledged Revenues, together with any other lawfully available funds, sufficient to pay (1) 1.20 times the Average Annual Debt Service Requirements on the Obligations Similarly Secured and (2) the amounts required to be deposited in any reserve or contingency fund or account created for the payment and security of the Obligations Similarly Secured, and any other obligations or evidences of indebtedness issued or incurred that are payable from and secured solely by a prior and first lien on a pledge of the Net Revenues of the System;

(c) To produce Net Revenues, together with any other lawfully available funds, sufficient to pay the principal of and interest on any Junior Lien Obligations hereafter issued by
the City as the same become due and payable and to deposit the amounts required to be deposited in any special fund or account created and established for the payment and security of any Junior Lien Obligations hereafter issued by the City, and any other obligations or evidences of indebtedness issued or incurred that are payable from and secured solely by a junior lien on and pledge of the Net Revenues of the System;

(d) To produce Net Revenues, together with any other lawfully available funds, sufficient to pay the principal of and interest on any Subordinate Lien Obligations hereafter issued by the City as the same become due and payable and to deposit the amounts required to be deposited in any special fund or account created and established for the payment and security of any Subordinate Lien Obligations hereafter issued by the City, and any other obligations or evidences of indebtedness issued or incurred that are payable from equally and ratably secured, in part, by a subordinate and inferior lien on and pledge of the Net Revenues of the System;

(e) To produce Net Revenues, together with any other lawfully available funds, sufficient to pay the principal of and interest on any Limited Pledge Obligations hereafter issued by the City as the same become due and payable and to deposit the amounts required to be deposited in any special fund or account created and established for the payment and security of any Limited Pledge Obligations, and any other obligations or evidences of indebtedness issued or incurred that are payable from equally and ratably secured, in part, by a lien on and pledge of a limited amount of the Net Revenues of the System; and

(f) To pay, together with any other lawfully available funds, any other legally incurred indebtedness payable from the Net Revenues of the System and/or secured by a lien on the System.

SECTION 12: System Fund. The City hereby reaffirms its covenant and agreement that the Gross Revenues of the System shall be deposited, as collected and received, into a separate Fund or account to be created, established, and maintained with the Depository known as the “City of Fredericksburg, Texas Utility System Fund” (the System Fund) and that the Gross Revenues of the System shall be kept separate and apart from all other funds of the City. All Gross Revenues deposited into the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

FIRST: to the payment of all necessary and reasonable Maintenance and Operating Expenses as defined herein or required by statute, including, but not limited to, Chapter 1502, as amended, Texas Government Code, to be a first charge on and claim against the Gross Revenues of the System.

SECOND: to the payment of the amounts required to be deposited into the special funds and accounts created and established for the payment, security and benefit of any Obligations Similarly Secured.

THIRD: to the payment of the amounts that must be deposited in any special funds and accounts created and established for the payment, security and benefit of any Junior Lien Obligations hereafter issued by the City.
FOURTH: to the payment of the amounts that must be deposited in any special funds and accounts created and established for the payment, security, and benefit of any Subordinate Lien Obligations hereafter issued by the City.

FIFTH: to the payment of the amounts that must be deposited in any special funds and accounts created and established for the payment, security, and benefit of any Limited Pledge Obligations hereafter issued by the City.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 13: Note Fund; Excess Note Proceeds. For purposes of providing funds to pay the principal of and interest on the Obligations Similarly Secured as the same become due and payable, the City reaffirms the creation and agrees to maintain, at the Depository, a separate and special Fund or account to be created and known as the “City of Fredericksburg, Texas Electric System Revenue Notes, Series 2020 Interest and Sinking Fund” (the Note Fund). The City covenants that there shall be deposited into the Note Fund prior to each principal and interest payment date from the available Pledged Revenues an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and the principal of the Obligations Similarly Secured then falling due and payable, such deposits to pay maturing principal and accrued interest on the Obligations Similarly Secured to be made in substantially equal monthly installments on or before the tenth day of each month, beginning on or before the tenth day of the month next following the delivery of the Notes to the Purchasers. If the Pledged Revenues in any month are insufficient to make the required payments into the Note Fund, then the amount of any deficiency in such payment shall be added to the amount otherwise required to be paid into the Note Fund in the next month.

The required monthly deposits to the Note Fund for the payment of principal of and interest on the Obligations Similarly Secured shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in the Note Fund and Reserve Fund is equal to the amount required to fully pay and discharge all Outstanding Obligations Similarly Secured (principal and interest) or (ii) the Notes are no longer Outstanding.

Accrued interest and premium, if any, received from the Purchasers shall be taken into consideration and reduce the amount of the monthly deposits hereinabove required to be deposited into the Note Fund from the Pledged Revenues of the System. Additionally, any proceeds of the Notes, and investment income thereon, not expended for authorized purposes shall be deposited into the Note Fund and shall be taken into consideration and reduce the amount of monthly deposits required to be deposited into the Note Fund from the Pledged Revenues of the System.

SECTION 14: Reserve Fund. To accumulate and maintain a reserve for the payment of the Obligations Similarly Secured (the “Required Reserve Amount”) equal to the lesser of (i) the Average Annual Debt Service Requirements (calculated on a Fiscal Year basis and determined as of the date of issuance of the Notes or the most recently issued series of Additional Prior Lien Obligations then Outstanding) for the Obligations Similarly Secured or (ii) the maximum amount in a reasonably required reserve fund for the Obligations Similarly Secured from time to time that
can be invested without restriction as to yield pursuant to section 148 of the Code (as defined in Section 32), the City agrees to create, establish, and maintain a separate and special fund or account known as the "City of Fredericksburg, Utility System Revenue Note Reserve Fund" (the Reserve Fund), which fund or account shall be maintained at the Depository. All funds deposited into the Reserve Fund (excluding earnings and income derived or received from deposits or investments which will be transferred to the System Fund established in Section 12 of this Ordinance during such period as there is on deposit in the Reserve Fund the Required Reserve Amount) shall be used solely for the payment of the principal of and interest on the Obligations Similarly Secured, when and to the extent other funds available for such purposes are insufficient, and, in addition, may be used to retire the last stated maturity or interest on the Obligations Similarly Secured.

In accordance with the provisions of the ordinance authorizing the issuance of the Previously Issued Notes, the total amount currently required to be accumulated and maintained in the Reserve Fund is $__________. By reason of the issuance of the Notes, the total amount required to be accumulated and maintained in the Reserve Fund is hereby determined to be $__________, which shall be accumulated, if necessary (and subject to the further conditions on funding such Reserve Fund as provided in this Section), in the following manner. Beginning on or before the tenth day of the month next following the delivery of the Notes to the Purchasers and on or before the tenth day of each following month until the Required Reserve Amount has been accumulated in the Reserve Fund, the City covenants and agrees to deposit to the Reserve Fund from the Net Revenues of the System, at the level of priority specified in Section 12, or any other lawfully available funds, an amount not less than $__________, being the Required Reserve Fund Deposits (and equaling the minimum amount necessary to cause the accumulation of the Required Reserve Amount to occur over a period of 60 months).

As and when Additional Prior Lien Obligations are delivered or incurred, the Required Reserve Amount shall be increased, if required, to an amount calculated in the manner provided in the first paragraph of this Section. Any additional amount required to be maintained in the Reserve Fund shall be so accumulated by the deposit of the necessary amount of the proceeds of the issue or other lawfully available funds in the Reserve Fund immediately after the delivery of the then proposed Additional Prior Lien Obligations, or, at the option of the City, by the deposit of monthly installments, made on or before the tenth day of each month following the month of delivery of the then proposed Additional Prior Lien Obligations, of not less than 1/60th of the additional amount to be maintained in the Reserve Fund by reason of the issuance of the Additional Prior Lien Obligations then being issued (or 1/60th of the balance of the additional amount not deposited immediately in cash), thereby ensuring the accumulation of the appropriate Required Reserve Amount.

When and so long as the cash and investments in the Reserve Fund equal the Required Reserve Amount, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve Amount (other than as the result of the issuance of Additional Prior Lien Obligations as provided in the preceding paragraph), the City covenants and agrees to cure the deficiency in the Required Reserve Amount by resuming the Required Reserve Fund Deposits to said Fund or account from the Net Revenues of the System, or any other lawfully available funds, such monthly deposits to be in amounts equal to not less than 1/60th of the Required Reserve Amount covenant by the City to be maintained in the Reserve Fund with any such deficiency payments being made on or before the tenth day of each
month until the Required Reserve Amount has been fully restored. The City further covenants and agrees that, the Net Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve Amount and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of any Additional Prior Lien Obligations.

During such time as the Reserve Fund contains the Required Reserve Amount, the City may, at its option, withdraw all surplus funds in the Reserve Fund in excess of the Required Reserve Amount and deposit such surplus in the System Fund.

The City, at its option and consistent with the provisions of this Section may fund the Reserve Fund at the Required Reserve Amount by purchasing an insurance policy that will unconditionally obligate the insurance company or other entity to pay all, or any part thereof, of the Required Reserve Amount in the event funds on deposit in the Note Fund are not sufficient to pay the debt service requirements on the Obligations Similarly Secured. All ordinances adopted after the date hereof authorizing the issuance of Additional Prior Lien Obligations shall contain a provision to this effect. The City reserves the right to use Gross Revenues of the System to fund the payment of (1) periodic premiums on the insurance policy or Surety Policy as a part of the payment of Maintenance and Operating Expenses and (2) any repayment obligation incurred by the City (including interest) to the issuer of the insurance policy or Surety Policy, the payment of which will result in the reinstatement of such insurance policy or Surety Policy, prior to making payments required to be made to the Reserve Fund pursuant to the provisions of this Section to restore the balance in such fund to the Required Reserve Amount for the Obligations Similarly Secured.

In the event an insurance policy or other Surety Policy issued to satisfy all or part of the City's obligation with respect to the Reserve Fund causes the amount then on deposit in the Reserve Fund to exceed the Required Reserve Amount, the City may transfer such excess amount to any fund or account established for the payment of or security for the Obligations Similarly Secured (including any escrow established for the final payment of any such obligations pursuant to Chapter 1207, as amended, Texas Government Code) or use such excess amount for any lawful purpose now or hereafter provided by law; provided, however, to the extent that such excess amount represents Note proceeds, then such amount must be transferred to the Note Fund or as otherwise permitted in accordance with then applicable Texas law.

Notwithstanding anything to the contrary contained in this Section, the requirements set forth above to fund the Reserve Fund in the amount of the Required Reserve Amount shall be suspended for any Obligations Similarly Secured (including with respect to the Notes) for such time as the Pledged Revenues for each Fiscal Year are equal to at least 135% of the Average Annual Debt Service Requirements. In the event that the Pledged Revenues for any Fiscal Year are less than 135% of the Average Annual Debt Service Requirements, the City will be required to commence making the deposits to the Reserve Fund, as provided above, and to continue making such deposits until the earlier of (i) such time as the Reserve Fund contains the Required Reserve Amount or (ii) the Pledged Revenues in each of two consecutive Fiscal Years have been equal to not less than 135% of the Average Annual Debt Service Requirements.
SECTION 15: Deficiencies: Excess Net Revenues. (a) If on any occasion there shall not be sufficient Pledged Revenues of the System (after making all payments pertaining to the currently Outstanding Obligations Similarly Secured) to make the required deposits into the Note Fund and the Reserve Fund, then such deficiency shall be cured as soon as possible from the next available unallocated Net Revenues of the System, or from any other sources available for such purpose, and such payments shall be in addition to the amounts required to be paid into these Funds or accounts during such month or months.

(b) Subject to making the required deposits to the Note Fund and the Reserve Fund when and as required by this Ordinance, or any ordinance authorizing any Obligations Similarly Secured (or any Junior Lien Obligations, Subordinate Lien Obligations, or Limited Pledge Obligations hereafter issued), the excess Net Revenues of the System may be used by the City for any lawful purpose, including but not limited to, the redemption of any Obligations Similarly Secured.

SECTION 16: Payment of Notes. While any of the Obligations Similarly Secured are outstanding, an Authorized Official shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Note Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly each installment of interest on and principal of the Obligations Similarly Secured as such installment accrues or matures or comes due by reason of redemption prior to maturity; such transfer of funds must be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Obligations Similarly Secured at the close of the business day next preceding the date a debt service payment is due on the Obligations Similarly Secured.

SECTION 17: Investments. Funds held in any Fund or account created, established, or maintained pursuant to this Ordinance, at the option of the City, be placed in time deposits, certificates of deposit, guaranteed investment contracts or similar contractual agreements as permitted by the provisions of the Public Funds Investment Act, as amended, Chapter 2256, Texas Government Code, or any other law (collateralized pursuant to the Public Funds Collateral Act, as amended, Chapter 2257, Texas Government Code), and secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, including investments held in book-entry form, in securities including, but not limited to, direct obligations of the United States of America, obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in indirect obligations of the United States of America, including, but not limited to, evidences of indebtedness issued, insured, or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, Farmers Home Administration, Federal Home Loan Mortgage Association, or Federal Housing Association; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund or account will be available at the proper time or times. Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 30 days of the date of passage of each ordinance authorizing the issuance of any Additional Prior Lien Obligations. All interest and income derived from
deposits and investments in the Note Fund immediately shall be credited to, and any losses debited to, the Note Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 14, be credited to and deposited in the System Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Notes.

SECTION 18: Issuance of Additional Prior Lien Obligations. Subject to the provisions hereinafter appearing as to conditions precedent which must be satisfied, the City hereby expressly reserves the right to hereafter issue, from time to time as needed, Additional Prior Lien Obligations for any lawful purpose. Such Additional Prior Lien Obligations may be issued in such form and manner as now or hereafter authorized by the laws of the State of Texas for the issuance of evidences of indebtedness or other instruments, and should new methods or financing techniques be developed that differ from those now available and in normal use, the City reserves the right to employ the same in its financing arrangements provided only that each of the following conditions precedent for the authorization and issuance of the same are satisfied, to wit:

(a) the Director of Finance of the City (or other official of the City, including the City Manager, having primary responsibility for the fiscal affairs of the City) shall have executed a certificate stating that (i) except for a refunding to cure a default, or the deposit of a portion of the proceeds of any Additional Prior Lien Obligations to satisfy the City’s obligations under this Ordinance, the City is not then in default as to any covenant, obligation, or agreement contained in any ordinance or other proceedings relating to any obligations of the City payable from and secured by a first and prior lien on and pledge of the Pledged Revenues of the System and (ii) all payments into all special funds or accounts created and established for the payment and security of all outstanding obligations payable from and secured by a first and prior lien on and pledge of the Pledged Revenues of the System have been duly made and that the amounts on deposit in such special funds or accounts are the amounts then required to be deposited therein;

(b) the City has secured a certificate from the Director of Finance of the City (or other official of the City, including the City Manager, having primary responsibility for the fiscal affairs of the City) to the effect that, according to the books and records of the City, the Net Earnings of the System, for the preceding Fiscal Year or for any 12 consecutive months out of the 18 months immediately preceding the month the ordinance authorizing the Additional Prior Lien Obligations is adopted, are at least equal to one and one-fifth (1-1/5) (1.20) times the Average Annual Debt Service Requirements for the payment of principal of and interest on all outstanding Obligations Similarly Secured after giving effect to the Additional Prior Lien Obligations then proposed. In making a determination of the Net Earnings, the Director of Finance may take into consideration a change in the rates and charges for services and facilities afforded by the System that became effective at least sixty (60) days prior to the last day of the period for which Net Earnings are to be determined and, for purposes of satisfying the above Net Earnings test, make a pro forma determination of the Net Earnings for the period of time covered by his certification based on such change in rates and charges being in effect for the entire period covered by the Director of Finance’s certificate;

(c) As used in this Section, the term “Net Earnings” shall mean the Gross Revenues of the System after deducting the Maintenance and Operating Expenses of the System, but not
depreciation charges or expenditures which, under generally accepted accounting principles, should be charged to capital expenditures.

(d) The Additional Prior Lien Obligations shall be scheduled to mature or be payable as to principal on February 15 or August 15 (or both) in each year the same are to be outstanding or during the term thereof;

(e) the ordinance authorizing the issuance of the Additional Prior Lien Obligations provides for deposits to be made to the Note Fund in amounts sufficient to pay the principal of and interest on such Additional Prior Lien Obligations as same mature; and

(f) the ordinance authorizing the issuance of the Additional Prior Lien Obligations provides that the amount to be accumulated and maintained in the Reserve Fund (subject, however, to any funding suspension mechanism that may at such time be in effect) shall be in an amount equal to not less than the Average Annual Debt Service Requirements for the payment of any Obligations Similarly Secured then Outstanding after giving effect to the issuance of the proposed Additional Prior Lien Obligations, and provides that any additional amount to be maintained in the Reserve Fund shall be accumulated within sixty (60) months from the date the Additional Prior Lien Obligations are delivered.

All calculations of principal and interest requirements made pursuant to this Section are made as of and from the date of the Additional Prior Lien Obligations then proposed to be issued.

SECTION 19: Obligations of Inferior Lien and Pledge. The City hereby reserves the right to issue, at any time, obligations including, but not limited to, Junior Lien Obligations, Subordinate Lien Obligations, and/or Limited Pledge Obligations payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Net Revenues of the System, subordinate and inferior in rank and dignity to the lien on and pledge of such first lien on and pledge of Net Revenues of the System included in the Pledged Revenues securing the payment of the Note Similarly Secured, as may be authorized by the laws of the State of Texas upon satisfying any conditions precedent contained in the ordinances authorizing the issuance of any Obligations Similarly Secured.

SECTION 20: Refunding Notes. The City reserves the right to issue refunding bonds to refund all or any part of the Outstanding Obligations Similarly Secured, pursuant to any law then available, upon such terms and conditions as the City Council of the City may deem to be in the best interest of the City and its inhabitants, and if less than all such Outstanding Obligations Similarly Secured are refunded, the conditions precedent prescribed, for the issuance of Additional Prior Lien Obligations, set forth in Section 18 of this Ordinance shall be satisfied and the certificate required in subparagraph (b) shall give effect to the Debt Service Requirements of the proposed refunding bonds (but shall not give effect to the Debt Service Requirements of the bonds being refunded following their cancellation or provision being made for their payment); provided, however, if the refunding of any then-Outstanding Obligations Similarly Secured (in whole or in part) produces an aggregate net present value debt service savings, then the certificate identified in Section 18(b) above shall not be required as a condition to the issuance of such refunding obligations (notwithstanding the fact that, upon issuance, such refunding obligations shall be Obligations Similarly Secured for all purposes).
SECTION 21: Maintenance of System - Insurance. The City covenants, agrees, and affirms its covenants that while the Obligations Similarly Secured remain outstanding it will maintain and operate the System with all possible efficiency and maintain casualty and other insurance on the properties of the System and its operations of a kind and in such amounts customarily carried by municipal corporations in the State of Texas engaged in a similar type of business (which may include an adequate program of self-insurance); and that it will faithfully and punctually perform all duties with reference to the System required by the laws of the State of Texas. All money received from losses under such insurance policies, other than public liability policies, shall be retained for the benefit of the holders of the Notes until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the City from doing so.

SECTION 22: Records and Accounts – Annual Audit. The City covenants, agrees, and affirms its covenants that so long as any of the Obligations Similarly Secured remain outstanding, it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating thereto, as provided by Chapter 1502, as amended, Texas Government Code, or other applicable law. The Holder or Holders of any Obligations Similarly Secured or any duly authorized agent or agents of such Holders shall have the right at all reasonable times to inspect such records, accounts and data relating thereto, and to inspect the System and all properties comprising the same. The City further agrees that following (and in no event later than 180 days) the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

SECTION 23: Special Covenants. The City further covenants and agrees by and through this Ordinance as follows:

(a) It has the lawful power to pledge the Pledged Revenues supporting the Obligations Similarly Secured and has lawfully exercised this power under the laws of the State of Texas, including the power existing under Chapter 1502, as amended, Texas Government Code.

(b) The Obligations Similarly Secured shall be equally and ratably secured by a first and prior lien on and pledge of the Pledged Revenues of the System in a manner that one bond shall have no preference over any other bond.

(c) Other than for the payment of the Notes, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System.

(d) As long as any Notes, or any interest thereon, remain Outstanding, the City will not sell, lease, or encumber the System or any substantial part thereof (except as provided in Sections
18, 19, or 20 of this Ordinance) provided that this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System;

(e) The City, to the extent and in the manner authorized by law, may sell or exchange for consideration representing the fair value thereof, as determined by the City Council of the City, any property not necessary or required in the efficient operations of the System, or any equipment not necessary or useful in the operations thereof or which is obsolete, damaged or worn out or otherwise unsuitable for use in the operation of the System. The proceeds of any sale of properties of the System shall be deposited in the System Fund.

(f) No free service of the System (except water provided to the City for municipal firefighting purposes) shall be allowed, and, should the City or any of its agents or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System; and

(g) To the extent that it legally may, the City further covenants and agrees that, so long as any of the Obligations Similarly Secured, or any interest thereon, are Outstanding, no franchise shall be granted for the installation or operation of any competing utility systems, other than those owned by the City, and the operation of any such systems by anyone other than the City is hereby prohibited; provided, however, the City expressly reserves the right to eliminate or modify this covenant, at its sole discretion, for any purpose or in order to comply with then existing federal or Texas law.

SECTION 24: Limited Obligations of the City. The Obligations Similarly Secured are limited, special obligations of the City payable from and equally and ratably secured solely by a first and prior lien on and pledge of the Pledged Revenues of the System, and the Holders thereof shall never have the right to demand payment of the principal or interest on the Obligations Similarly Secured from any funds raised or to be raised through taxation by the City.

SECTION 25: Security of Funds. All money on deposit in the Funds or accounts for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and money on deposit in such Funds or accounts shall be used only for the purposes permitted by this Ordinance.

SECTION 26: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas and specifically to confirm that the Purchasers have all rights and remedies available under Texas law hereunder, the City also covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Note Fund or Reserve Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Notes shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.
No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

SECTION 27: Notices to Holders Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 28: Notes Are Negotiable Instruments. Each of the Notes authorized herein shall be deemed and construed to be a “security” and as such a negotiable instrument with the meaning of the Chapter 8 of the Texas Uniform Commercial Code.

SECTION 29: Cancellation. All Notes surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Notes previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Notes held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 30: Mutilated, Destroyed, Lost, and Stolen Notes. If any mutilated Note is surrendered to the Paying Agent/Registrar, or the City and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Note, and there is delivered to the City and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the City or the Paying Agent/Registrar that such Note has been acquired by a bona fide purchaser, the City shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Note, a new Note of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost, or stolen Note has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Note, pay such Note. Upon the issuance of any new Note or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including attorney’s fees and the fees and expenses of
the Paying Agent/Registrar) connected therewith. Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Note shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Notes. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Notes.

SECTION 31: Sale of Notes at a Negotiated Sale – Authorization of Execution of Purchase and Investment Letter – Note Proceeds. The Notes authorized by this Ordinance are hereby sold by the City to ________________________________ (the Purchasers) against payment of the aggregate principal amount of $______________, and no accrued interest. The Initial Note shall be registered in the name of _____________. Delivery of the Notes shall be made to the Purchasers as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of sale established in a Purchase and Investment Letter dated January 21, 2020 (the Purchase Contract), attached hereto as Exhibit B and incorporated herein by reference as a part of this Order for all purposes. The pricing and terms of the sale of the Notes are hereby found and determined to be the most advantageous reasonably obtainable by the City. Each Authorized Official is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City and as the act and deed of the City Council and in regard to the approval and execution of the Purchase Contract, the City Council hereby finds, determines, and declares that the representations, warranties, and agreements of the City contained in the Purchase Contract are true and correct in all material respects and shall be honored and performed by the City. Delivery of the Notes to the Purchasers shall occur as soon as practicable after the adoption of the Ordinance, upon payment therefor in accordance with the terms of the Purchase Contract.

Proceeds derived from the sale of the Notes, after payment of costs of issuance, shall be deposited into the construction fund (the Construction Fund), created for the projects to be constructed with the proceeds of the Notes. This Construction Fund shall be established and maintained at the Depository and shall be invested in accordance with the provisions of Section 17, but any money deposited into the Construction Fund shall not be commingled with any other funds of the City. Interest earned on the proceeds of the Bonds pending completion of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amount shall be expended in accordance with Section 13.

SECTION 32: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Notes are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.
“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Notes.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Notes are invested and which is not acquired to carry out the governmental purposes of the Notes.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Notes. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

the Notes has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Note to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Note, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as would not cause the Notes to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Notes:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Notes, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the
general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Notes or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) **No Private Loan.** Except as would not cause the Notes to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Notes to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) **Not to Invest at Higher Yield.** Except as would not cause the Notes to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Notes directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Notes.

(f) **Not Federally Guaranteed.** Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Notes to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) **Information Report.** The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) **Rebate of Arbitrage Profits.** Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Note
is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Notes with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Notes until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Notes by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Note Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Notes equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(c)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Notes, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Notes not been relevant to either party.

(j) Notes Not Hedge Notes.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Notes within three years after such Notes are issued.
(2) Not more than 50% of the proceeds of the Notes will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(k) **Elections.** The City hereby directs and authorizes any Authorized Official, either individually or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Notes, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

(l) **Qualified Tax-Exempt Obligations.** The District hereby designates the Obligations as *qualified tax-exempt obligations* for purposes of section 265(b) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) during the calendar year in which the Obligations are issued, the City (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Obligations, will result in more than $10,000,000 of “qualified tax-exempt obligations” being issued; (b) the City reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year 2020 by the City (including any subordinate entities) will not exceed $10,000,000; and (c) the City will take such action or refrain from such action as is necessary in order that the Obligations will not be considered “private activity bonds” within the meaning of section 141 of the Code.

**SECTION 33: Control and Custody of Notes.** The Mayor shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Notes pending their approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery of the Notes to the Purchasers.

Furthermore, any Authorized Official, either or all, are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Notes, the approval of the Attorney General and their registration by the Comptroller of Public Accounts and, together with the City’s financial advisor, bond counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Notes to the Purchasers.

**SECTION 34: Satisfaction of Obligation of City.** If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Notes, at the times and in the manner stipulated in this Ordinance, then the pledge of the Pledged Revenues of the System under this Ordinance and all other obligations of the City to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Notes, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Notes or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, and/or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations will mature as to principal and interest
in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Notes, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefore acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. In the event of a defeasance of the Notes, the City shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, an independent accounting firm or another qualified third party concerning the deposit of cash and/or Government Obligations to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Notes. As and to the extent applicable, if at all, the City covenants that no deposit of money or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Notes to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 32).

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Notes, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Notes and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Notes such moneys were deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Notes that is made in conjunction with the payment arrangements specified in subsections (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the defeased Notes for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Notes immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Notes, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Notes.

SECTION 35: Ordinance a Contract — Amendments — Outstanding Notes. The City acknowledges that the covenants and obligations of the City herein contained are a material inducement to the purchase of the Notes. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Note remains Outstanding except as permitted in this Section. The City, may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders holding a majority in aggregate principal amount of the Obligations Similarly Secured then Outstanding affected thereby, amend, add to, or rescind any of the
provisions of this Ordinance; provided; however, that, without the consent of all Holders of Outstanding Notes, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Notes, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Notes, (2) give any preference to any Note over any other Note, or (3) reduce the aggregate principal amount of Notes required to be held by Holders for consent to any such amendment, addition, or rescission.

SECTION 36: Printed Opinion. The Purchasers' obligation to accept delivery of the Notes is subject to its being furnished a final opinion of Norton Rose Fulbright US LLP, as Bond Counsel, approving certain legal matters as to the Notes, said opinion to be dated and delivered as of the date of initial delivery and payment for such Notes. Printing of a true and correct copy of said opinion on the reverse side of each of said Notes, with appropriate certificate pertaining thereto executed by facsimile signature of the City Secretary of the City is hereby approved and authorized.

SECTION 37: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Notes. SECTION 46: No Recourse Against City Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Note or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Note.

SECTION 47: Continuing Disclosure of Information.

A. Definitions.

As used in this Section, the following terms have the meanings ascribed to such terms below:

Rule means SEC Rule 15c2-12, as amended from time to time.

SEC means the United States Securities and Exchange Commission.

The Notes are being sold pursuant to a private placement with the Purchasers, generally in denominations of $100,000 or any integral multiple of $5,000 in excess thereof, to less than thirty-five sophisticated investors, and therefore the Rule is not applicable to the offering of the Notes. Accordingly, no contract to provide continuing disclosure information after the issuance of the Notes has been made by the City with investors.

SECTION 48: Book-Entry Only System.

The Notes may be registered so as to participate in a securities depository system (the DTC System) with The Depository Trust Company, New York, New York, or any successor entity thereto (DTC), as set forth herein. Each Stated Maturity of the Notes shall be issued (following cancellation of the Initial Notes described in Section 7) in the form of a separate single definitive Note. Upon issuance, the ownership of each such Note shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Notes shall be registered in the name of Cede & Co., as the nominee of DTC. The City and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit C (the Representation Letter).
With respect to the Notes registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Notes from time to time as securities depository (a Depositary Participant) or to any person on behalf of whom such a Depositary Participant holds an interest in the Notes (an Indirect Participant). Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Depositary Participant with respect to any ownership interest in the Notes, (ii) the delivery to any Depositary Participant or any other person, other than a registered owner of the Notes, as shown on the Security Register, of any notice with respect to the Notes, including any notice of redemption, or (iii) the delivery to any Depositary Participant or any Indirect Participant or any other Person, other than a Holder of a Note, of any amount with respect to principal of, premium, if any, or interest on the Notes. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest on the Notes pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word “Cede & Co.” in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason, or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Notes that they be able to obtain certificated Notes, the City shall notify the Paying Agent/Registrar, DTC, and the Depositary Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Notes shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the City may determine that the Notes shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository’s agent or designee, and if the City and the Paying Agent/Registrar do not select such alternate securities depository system then the Notes may be registered in whatever name or names the Holders of Notes transferring or exchanging the Notes shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Note is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Note and all notices with respect to such Note shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 49: Accounting Reports. The Issuer shall provide annually to the Purchasers for so long as the purchasers remain a holder of the Obligations, within 210 days after the end of each fiscal year ending in or after 2019, financial information and operating data with respect to the Issuer; provided that such financial statements so to be provided shall be (1) prepared in accordance with the generally accepted accounting principles, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to Texas law or regulations, and (2) audited, if the Issuer commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is
not complete within such period, then the Issuer shall provide (1) unaudited financial statements for the applicable fiscal year within 180 days after the end of such fiscal year, and (2) audited financial statements for the applicable fiscal year to the Purchasers when and if the audit report on such statements become available.

SECTION 50: Unavailability of Authorized Publication. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or, for any reason, publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Ordinance shall be given in such other manner and at such time or times as in the judgment of the City or of the Paying Agent/Registrar shall most effectively approximate such required publication and the giving of such notice in such manner shall for all purposes of this Ordinance be deemed to be in compliance with the requirements for publication thereof.

SECTION 51: No Recourse Against City Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Note or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Note.

SECTION 52: Further Procedures. The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Notes, the Paying Agent/Registrar Agreement, and the Purchase Contract. In addition, prior to the initial delivery of the Notes, any Authorized Official, and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Notes by the Texas Attorney General’s office. In case any officer of the City whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 53: Effective Date. Pursuant to the provisions of Section 1201.028, as amended, Texas Government Code, this Ordinance shall be effective immediately upon adoption, notwithstanding any provision in the City’s Home Rule Charter to the contrary concerning a multiple reading requirement for the adoption of ordinances.

RESOLUTION 2020-01R

CITY OF FREDERICKSBURG CITY COILUNC
RESOLUTION ESTABLISHING THE CITY OF FREDERICKSBURG PACE PROGRAM

STATE OF TEXAS

CITY OF FREDERICKSBURG

WHEREAS, the 83rd Regular Session of the Texas Legislature enacted the Property Assessed Clean Energy Act, Texas Local Government Code Chapter 399 (the “PACE Act”), which allows the governing body of a local government, including a City, to designate an area of the territory of the local government as a region within which an authorized representative of a local government and the record owners of commercial, industrial, and large multifamily residential (5 or more dwelling units) real property may enter into written contracts to impose assessments on the property to repay the financing by the owners of permanent improvements fixed to the property intended to decrease energy or water consumption or demand;

WHEREAS, the installation or modification by property owners of qualified energy or water saving improvements to commercial, industrial, and large multifamily residential real property in the City of Fredericksburg will further the goals of energy and water conservation without cost to the public;

WHEREAS, the City Council finds that third-party financing of energy and water conserving projects through contractual assessments maintained by the City (“PACE financing”) furthers essential government purposes, including but not limited to, economic development, reducing energy consumption and costs, conserving water resources, and reducing greenhouse gas emissions;

WHEREAS, the City Council adopted a Resolution of Intent to establish a PACE program for City of Fredericksburg on December 2, 2019, including a reference to the report on the proposed program prepared as required by Section 399.009 of the PACE Act and made the report available to the public on the City’s website and for inspection in the City Manager’s office;

WHEREAS, The City Council finds that the administration of the PACE program by a qualified non-profit organization as an independent third-party Authorized Representative contracted by the City and compensated by application and administration fees paid by the participating property owners, will enable the program to be administered without use of City resources, will assure the objectives of impartiality and confidentiality of owner information, and will be convenient and advantageous to City; and

WHEREAS, The City intends to enter into an interlocal agreement with the Alamo Area Regional Council of Government, which will serve as the independent third-party Authorized Representative; and

WHEREAS, the City Council held a public hearing on January 6, 2020 at 6:00 pm in the Law Enforcement Center, 1601 East Main Street, Fredericksburg, Texas, at which the public hearing could comment on the proposed program, including the report available for public inspection as mentioned above and as required by Section 399.008(a)(2):

NOW THEREFORE, be it resolved by the City Council of the City of Fredericksburg, Texas that:

1. Recitals. The recitals to this Resolution are true and correct and are incorporated into this resolution for all purposes.
2. **Establishment of Program.** The City of Fredericksburg hereby adopts this Resolution Establishing the City of Fredericksburg Property Assessed Clean Energy Program ("Fredericksburg PACE"), herein called "the Program," and finds that financing qualified projects through contractual assessments pursuant to the PACE Act is a valid public purpose and is convenient and advantageous to the City and its citizens.

3. **Contractual Assessments.** The City will, at the property owner’s request, impose contractual assessments on the property to repay PACE financing for qualified energy and water conserving projects available to owners of privately owned commercial, industrial, and large multifamily property.

4. **Qualified Projects.** The following types of projects are qualified projects for PACE financing that may be subject to such contractual assessments:

   Projects that (a) involve the installation or modification of a permanent improvement fixed to privately owned commercial, industrial, or residential real property with five (5) or more dwelling units, and (b) are intended to decrease energy or water consumption or demand, including a product, device, or interacting group of products or devices on the customer’s side of the meter that uses energy technology to generate electricity, provide thermal energy, or regulate temperature.

   An assessment may not be imposed to repay the financing of facilities for undeveloped lots or lots undergoing development at the time of the assessment or the purchase or installation of products or devices not permanently fixed to real property.

5. **Region.** The boundaries of the entire geographic area within the City’s jurisdiction and extra-territorial jurisdiction (ETJ) are included in the boundaries of the region where PACE financing and assessments can occur.

6. **Third-Party Financing.** Financing for qualified projects under the Program will be provided by qualified third-party lenders chosen by the owners. Such lenders will execute written contracts with the Authorized Representative to service the debt through assessments, as required by the PACE Act. The contracts will provide for the lenders to determine the financial ability of owners to fulfill the financial obligations to be repaid through assessments, advance the funds to owners on such terms as are agreed between the lenders and the owners for the installation or modification of qualified projects, and service the debt secured by the assessments, directly or through a servicer, by collecting payments from the owners pursuant to financing documents executed between the lenders and the owners. The City will maintain and continue the assessments for the benefit of such lenders and will enforce the assessment lien for the benefit of a lender in the event of a default by an owner. The City will not, at this time, provide financing of any sort for the City’s PACE program.

7. **Authorized Representative.** The City Council will enter into an interlocal agreement with the Alamo Area Council of Governments (AACOG) through which AACOG will act as the Authorized Representative with authority to enter into written contracts with the record owners of real property in City to impose assessments pursuant to the PACE Act to repay the financing of qualified projects on the owners' property, to enter into written contracts with the parties that provide third-party financing for such projects to service the debts through assessments, and to file written notice of each contractual assessment in
the real property records of Gillespie County, all on behalf of the City. The Authorized Representative may make technical and conforming updates as necessary so long as the changes are consistent with the resolution to establish the PACE program and the statute. The City Manager or his designee will be the liaison with the Authorized Representative.

8. **Enforcement.** The City will enforce the collection of past due assessments and may contract with a qualified law firm to assist in collection efforts.

9. **Report.** The final report on the - PACE program, prepared in accordance with Section 399.009 of the Texas Local Government Code is attached and incorporated into this resolution. The City will post the resolution and report on the City’s website.

10. **Amendment of Program.** The City Council may amend the City’s PACE Program by resolution. However, another public hearing is required before the Program may be amended to provide for City financing of qualified improvements through assessments.

EXHIBIT A – SCOPE OF WORK
SALES/USE TAX COMPLIANCE REVIEW

Objectives and Methods

CONSULTANT’s Sales/Use Tax Compliance Review is designed to assist CITY in enhancing its sales/use tax revenues by detecting, documenting, and correcting sales/use tax errors thereby producing previously unrealized revenue for CITY.

Scope of Work

In providing the Sales/Use Tax Compliance Review, CONSULTANT shall:

- Meet with CITY’s designated staff to review service objectives, scope, procedures, coordination of effort, work plan schedule, public relations, and logistical matters.
- Establish an appropriate liaison with the CITY and define logical checkpoints for reviewing progress.
- Perform a review of the CITY’s businesses’ sales/use tax remittances in an effort to ensure proper application of local sales/use tax law and achieve past and/or prospective compliance, as applicable.
- On behalf of the CITY, CONSULTANT will assist the businesses, as necessary, in the preparation and filing of amended returns and/or reallocation requests with the Comptroller’s office in order to gain compliance. CONSULTANT and/or the CITY may also provide additional documentation to the Comptroller’s office to request its assistance in gaining compliance from taxpayers as needed.

Deliverables

Progress Reports
CONSULTANT will provide periodic progress reports to CITY in the form of status updates. CONSULTANT’s progress reports will identify errors detected, documented and corrected.

CITY Assistance

CITY shall assist CONSULTANT by providing information and assistance necessary to perform the Sales/Use Tax Compliance Review to include, without limitation, the following:

- Providing CONSULTANT historical sales/use tax information including but not limited to confidential reports previously received from the Comptroller for past periods, if available.
- Issuing necessary documentation to the Comptroller to allow CONSULTANT to access and receive detailed confidential reports on an on-going monthly basis.
- Providing a letter of introduction identifying CONSULTANT as an authorized agent of the CITY to perform the Sales/Use Tax Compliance Review and to receive and examine taxpayer records necessary to assure sales/use tax compliance.

- Issuing necessary documentation to the Comptroller to correct errors validated by CONSULTANT.

The parties agree that the CITY and/or the Comptroller retain exclusive authority and responsibility to administer, interpret and enforce the CITY’s sales/use tax, recognizing that CONSULTANT’s role is limited to employing its unique expertise and proprietary tools for: i) detecting and documenting errors by taxpayers in the application, calculation, collection, and/or remittance of sales/use taxes and, ii) providing CITY with technical assistance, without assuming or being delegated the authority or responsibility of CITY to administer, interpret, and enforce CITY’s sales/use taxes.
EXHIBIT B - COMPENSATION
SALES/USE TAX COMPLIANCE REVIEW

Provided that the Effective Date is on or before ____________, in exchange for CONSULTANT performing the work indicated above, the CITY will pay CONSULTANT as follows:

The CITY shall pay CONSULTANT a thirty percent (30%) contingency fee. The fee applies to the additional sales/use tax revenue received by the CITY, resulting from a correction of taxpayer reporting errors detected and documented by the CONSULTANT’s Sales Tax Compliance Review. The Contingency Fee applies to both: (a) past compliance (as applicable) — additional sales/use tax revenues received by the CITY from prior periods; and (b) prospective compliance (as applicable) -- incremental increase in sales/use tax revenues received for the first eight consecutive reporting quarters (24 months) following correction of the errors and confirmation of receipt of revenue by the CITY. An incremental increase is calculated as the current month’s correct tax remittance less the monthly average of the prior 12 months immediately prior to the first month of correct tax remittance.

CONSULTANT will invoice CITY quarterly based on past and/or prospective compliance secured on behalf of CITY. Invoices are due and payable upon receipt.

All expenses incurred by CONSULTANT in providing the Sales/Use Tax Compliance Review are the sole and exclusive responsibility of CONSULTANT, except those expenses that receive prior written approval by CITY.

Completion of Services
Notwithstanding anything else in this Agreement to the contrary, the CITY will pay CONSULTANT per the terms of this Agreement for services performed before termination or expiration of the Agreement, even if the sales/use tax revenues are received after termination or expiration. CONSULTANT will provide CITY with a list of taxpayer accounts submitted but not yet corrected as of the expiration or termination within a reasonable time after the expiration or termination (“completion list”). CONSULTANT is allowed to continue working those taxpayer accounts on the completion list for a reasonable time, not to exceed 180 days, to obtain a correction.

Additional Consulting
CITY may request that CONSULTANT provide additional consulting services at any time during the term of this Agreement. If CONSULTANT and CITY agree on the scope of the additional consulting services requested, then CONSULTANT shall provide the additional consulting on a Time and Materials basis. Depending on the personnel assigned to perform the work, standard hourly rates range from $75 per hour to $300 per hour. These additional consulting services will be invoiced at least monthly based on actual time and expenses incurred.

CITY COUNCIL MEMO

DATE: January 14, 2020

TO: Mayor and City Council

FROM: Shelley Goodwin, City Secretary-TRMC

SUBJECT: Appointment of Market Square Redevelopment Commission members

Summary: While doing research on the Committee/Commission the City Council Minutes only reflect the appointment of several members in 1987 and early 90s.

Recommendation City Staff is asking that the Market Square Redevelopment Commission members of 15 and 2 ex-officio members be formally appointed (see list below).

Background / Analysis:

In 1987 The City purchased the northern half of the Square and appointed a group of twelve people as the Market Square Steering Committee. The Committee’s name changed to the Market Square Study Committee and in 1990 the Committee became known as the Market Square Redevelopment Commission. Staff has been unable to find minutes that reflect the formal name change, creation of Commission, and the appointment of members.

In an effort to cleanup records, City Staff is working on a Resolution that would provide the Commission with their terms, purpose and their role as an Advisory Commission. This Resolution will be brought to the City Council for approval, but until then the following citizens currently serve on the Commission:

Tim Crenwelge
Linda Langerhans
Peggy Benson
Debbie Farquhar-Reeh
Marty Kaderli
Karen Oestreich
Tony Klein
Joe Kammlah
Robert Spies
Timothy Koock
Jimmy Alexander
Jerry Luckenbach
Jennifer Segner (recently recommended to serve)
Jessie Barter (recently recommended to serve)
Justin or Amy Cop (recently recommended to serve; Staff will let you know which Cop needs to be appointed)

CITY COUNCIL MEMO

DATE: January 21, 2020
TO: Mayor and City Council
FROM: Kris Kneese, P.E. – Assistant Director of Public Works and Utilities
SUBJECT: Amendment No. 2 to Boot Ranch Reclaimed Water Agreement

Summary:

Boot Ranch has requested the City amend the Reclaimed Water Agreement to allow for the use of the City’s groundwater well, known as the Achtzen Well, for blending with reclaimed water for golf course irrigation.

Recommendation:

Consider amending Reclaimed Water Agreement with Boot Ranch to allow them to blend groundwater with reclaimed water for golf course irrigation.

Background / Analysis:

Boot Ranch has requested the City amend the Reclaimed Water Agreement to allow them to pump a specific volume of water out of the City’s groundwater well, known as the Achtzen Well, to blend with the reclaimed water for golf course irrigation.

The Hill Country Underground Water Conservation District (HCUWCD) regulations limits the volume of water available to the City out of the groundwater well to 168 acre-feet per year. Additionally, the HCUWCD regulation limits the volume of groundwater used for irrigation to a half an acre-foot of water per irrigated acre of land per year. Boot Ranch irrigates approximately 105 acres of golf course and common areas with reclaimed water, so the maximum amount of groundwater allowed for irrigation is...
equal to 52.5 ac-ft per year (17,100,000 gallons). Additionally, groundwater well flow test data from 2007 suggests that a maximum of 300,000 gallon per day should be pumped from the well to minimize drawdown in the well’s aquifer.

Boot Ranch would pay the City at the raw groundwater rate established in the proposed amendment.

CITY COUNCIL MEMO

DATE: January 21, 2020

TO: Mayor and City Council

FROM: Andrea Schmidt, Parks & Recreation Director

SUBJECT: Award bid for Marktplatz Pavilion and Arbor project

Summary:

Several maintenance projects at Marktplatz were included in this year’s budget. Three of those projects were the repairs and repainting of Oktoberfest Halle, Kinder Halle and the arbors. A total of $98,000 was budgeted for these three projects in the Parks Department’s budget. These were bid out together as one project.

The repairs to the pavilions included replacing some rotting wood on the roof decking. A pre-bid meeting was held in December that four contractors attended. During the pre-bid meeting, the contractors agreed they would have to get to the rotting wood by removing part of the roof. This roof material could not be reused and a new piece of galvanized roofing would be replaced instead. This new piece would look bright and shiny and not match the rest of the roof. We spoke to the original roofing contractor and he suggested replacing the entire roofs on the two pavilions with galvalume so as not to have a patchwork appearance. We also spoke to John Klein and he agreed with the original roof contractor’s suggestion to replace the roofs.

Replacing the roofs was not included in the original estimates but after discussion with City Staff including the Historic Preservation Officer, it was decided to add replacing the roofs on the two pavilions to the bid.

Two bids were received. The low bidder is Hill Country Home and Ranch from Harper at $162,682.00. The other bid was from Concord Commercial Services Inc. from Balch Springs, Texas, at $294,748.00.
The low bid was over the budgeted amount by $63,682. In this year’s Parks Department budget $150,000 was approved as a place holder for Oak Crest Park improvements. None of these funds have been spent or committed at this time. Staff is recommending reallocating $63,683 from this project to the Marktplatz pavilion and arbor project.

There are no special events at Marktplatz in February and none the first three weeks of March. The hope is to have a preconstruction meeting in the next 7 days so work can be completed before the first events in March. If this does not occur, there is some availability during the summer months when special events are limited.

Recommendation:

Consider awarding the bid for the Marktplatz Pavilion and Arbor project to Hill Country Home and Ranch in the amount of $161,682.00.

Background / Analysis:

Marktplatz has many maintenance projects that are currently needed. The two pavilions have not been repainted in years and having rotting wood on the roof decking. The arbors are also showing significant deterioration to the joints and need to be re-welded as well as repainted. The full extent of damage to the wood decking will not be known until the existing roof is removed. Included in the bid is replacing up to 350 square feet of the roof decking. If additional unforeseen damage and or deteriorated wood material is found, then a change order will be needed to cover the extra work.

SURFACE PREPARATION

WARNING! Removal of old paint by sanding, scraping or other means may generate dust or fumes that contain lead. Exposure to lead dust or fumes may cause brain damage or other adverse health effects, especially in children or pregnant women. Controlling exposure to lead or other hazardous substances requires the use of proper protective equipment, such as a properly fitted respirator (NIOSH approved) and proper containment and cleanup. For more information, call the National Lead Information Center at 1-800-424-LEAD (in US) or contact your local health authority.

Surface must be clean, dry, and in sound condition. Remove all oil, dust, grease, dirt, loose rust, and other foreign material to ensure adequate adhesion.

Iron & Steel - Minimum surface preparation is Hand Tool Clean per SSSC-SP2. For better performance, use Commercial Blast Cleaning per SSSC-SP6/NACE 3, blast clean all surfaces using a sharp, angular abrasive for optimum surface profile (2 mils / 50 microns). Prime any bare steel within 8 hours or before flash rusting occurs.

Aluminum (Untreated) - Remove all oil, grease, dirt, oxide and other foreign material by Solvent Cleaning per SSSC-SP1. Primer required.

Galvanized Steel (Untreated) - Allow to weather a minimum of six months prior to coating. Solvent Clean per SSSC-SP1. When weathering is not possible, the surface has been treated with chromates or silicates, first Solvent Clean per SSSC-SP1 and apply a test patch. Allow paint to dry at least one week before testing adhesion. If adhesion is poor, brush blasting per SSSC-SP16 is necessary to remove these treatments. Primer required. Rusty galvanizing requires a minimum of Hand Tool Cleaning per SSSC-SP2, prime the area the same day as cleaned.

Masonry and Concrete—For surface preparation, refer to SSSC-SP13/NACE 6 or ICRI No. 310.2, CSP 1-3. Surfaces should be thoroughly clean and dry. Concrete and mortar must be cured at least 28 days at 75°F (24°C). Remove all loose mortar and foreign material. Surface must be free of laitance, concrete dust, dirt, form release agents, moisture curing membranes, loose cement and hardeners, Fill bug holes, air pockets and other voids. Weathered masonry and soft or porous cement board must be brush blasted or power tool cleaned to remove loosely adhering contamination and to get to a hard, firm surface. Laitance must be removed. Brick must be allowed to weather for one year prior to surface preparation and painting. Primer required.

Wood - Surface must be clean, dry, and sound. Paint as soon as possible. No painting should be done immediately after a rain or during foggy weather. Knots and pitch streaks must be scraped, sanded and spot primed. All nail holes or small openings must be properly caulked. Sand to remove any loose or deteriorated surface wood and to obtain a proper surface profile. Self priming.

Previously Painted Surfaces - If in sound condition, clean the surface of all foreign material. Smooth, hard or glossy coatings and surfaces should be dulled by abrading the surface. Apply a test area, allowing paint to dry one week before testing adhesion. If adhesion is poor, or if the product attacks the previous finish, removal of the previous coating may be necessary. If paint is peeling or badly weathered, clean surface to sound substrate and treat as a new surface as above. Recognize that any surface preparation short of total removal of the old coating may compromise the service length of the system.

APPLICATION PROCEDURES

Apply paint at the recommended film thickness and spreading rate as indicated on front page. Application of coating below minimum recommended spreading rate will adversely affect coating performance.

SAFETY PRECAUTIONS

Refer to the SDS sheets before use. FOR PROFESSIONAL USE ONLY.

DANGER: Rags, steel wool, other waste soaked with this product, and sanding residue may spontaneously catch fire if improperly discarded. Immediately place rags, steel wool, other waste soaked with this product, and sanding residue in a sealed, water-filled, metal container. Dispose of in accordance with local fire regulations.

- Part A: B65-650 - Semi-Gloss Series
- Part B: B65V600 - Hardener

**PERFORMANCE TIPS**

- Strips coat all crevices, welds, and sharp angles to prevent early failure in these areas.
- When using spray application, use a 50% overlap with each pass of the gun to avoid holidays, bare areas, and pinholes. If necessary, cross spray at a right angle.
- Spreading rates are calculated on volume solids and do not include an application loss factor due to surface profile, roughness or porosity of the surface, skill and technique of the applicator, method of application, various surface irregularities, material lost during mixing, spillage, overthinning, climatic conditions, and excessive film build.
- Excessive reduction of material can affect film build, appearance, and adhesion.
- Do not apply the material beyond recommended pot life.
- Do not mix previously catalyzed material with new.
- In order to avoid blockage of spray equipment, clean equipment before use or before periods of extended downtime with Reducer #15, R7K15 or MEK, R8K10.
- Mixed coating is sensitive to water. Use water traps in all air lines. Moisture contact can reduce pot life and affect gloss and color.
- Quick-Thane Urethane Accelerator is acceptable for use. See data page 5.97 for details.
- E-Z Roll Urethane Defoamer is acceptable for use. See data page 5.99 for details.

If maximum recoat time is exceeded, a light abrasion may be necessary to roughen the surface to promote adhesion before recoating.

- When overcoating for maintenance or covering graffiti, solvent clean with MEK or similar solvent/cleaner prior to recoating.
- Refer to Product Information sheet for additional performance characteristics and properties.

KEM KROMIK® UNIVERSAL METAL PRIMER

SURFACE PREPARATION

WARNING! Removal of old paint by sanding, scraping or other means may generate dust or fumes that contain lead. Exposure to lead dust or fumes may cause brain damage or other adverse health effects, especially in children or pregnant women. Controlling exposure to lead or other hazardous substances requires the use of proper protective equipment, such as a properly fitted respirator (NIOSH approved) and proper containment and cleanup. For more information, call the National Lead Information Center at 1-800-424-LEAD (in US) or contact your local health authority.

Iron & Steel- Minimum surface preparation is Hand Tool Clean per SSPC-SP2. Remove all oil and grease from surface by Solvent Cleaning per SSPC-SP1. For better performance, use Commercial Blast Cleaning per SSPC-SP6/NACE 3, blast clean all surfaces using a sharp, angular abrasive for optimum surface profile (2 mils). Prime any bare steel within 8 hours or before flash rusting occurs.

Previously Painted Surfaces - If in sound condition, clean the surface of all foreign material. Smooth, hard or glossy coatings and surfaces should be dull by abrading the surface. Apply a test area, allowing paint to dry one week before testing adhesion. If adhesion is poor, additional abrasion of the surface and/or removal of the previous coating may be necessary. Retest surface for adhesion. If paint is peeling or badly weathered, clean surface to sound substrate and treat as a new surface as above. Recognize that any surface preparation short of total removal of the old coating may compromise the service length of the system.

Other substrates may or may not be appropriate. If a specific substrate is not listed above, consult your Sherwin-Williams representative for more information.

As a "Barrier" Coat - If it is necessary to topcoat a previously painted surface with chemically resistant or strong solvent topcoats, Kem Kromik Universal Metal Primer can be used as a barrier coat to help reduce lifting. Apply a coat of Kem Kromik Universal Metal Primer to a small area to test for adhesion or bleeding. If there is evidence of either poor adhesion or bleeding, clean surface to bare steel and apply recommended system.

APPLICATION PROCEDURES

Apply paint at the recommended film thickness and spreading rate as indicated on front page. Application of coating above maximum or below minimum recommended spreading rate may adversely affect coating performance. Spreading rates are calculated on volume solids and do not include an application loss factor due to surface profile, roughness, or porosity of the surface, skill, and technique of the applicator, method of application, various surface irregularities, material lost during mixing, spillage, over thinning, climatic conditions, and excessive film build.

SAFETY PRECAUTIONS

Refer to the SDS sheets before use. FOR PROFESSIONAL USE ONLY. Published technical data and Instructions are subject to change without notice. Contact your Sherwin-Williams representative for additional technical data and Instructions.

PERFORMANCE TIPS

Mix paint thoroughly to a uniform consistency with slow speed power agitation prior to use. Stripe coat crevices, welds, and sharp angles to prevent early failure in these areas. When using spray application, use a 50% overlap with each pass of the gun to avoid holidays, bare areas, and pinholes. If necessary, cross spray at a right angle. Not recommended for immersion service or exposure to acids, alkalis, or strong solvents. Intimate contact with the steel surface and primer is necessary for adequate rust inhibition and adhesion.

For maximum adhesion, acrylic topcoats require 48 - 72 hours drying of primer.

APPLICATION

Refer to the SDS sheet before use.

Temperature: 40°F(4.5°C) minimum
120°F(49°C) maximum
(Air, surface, and material)

Relative humidity: 85% maximum

The following is a guide. Changes in pressures and tip sizes may be needed for proper spray characteristics. Always purge spray equipment before use with listed reducer. Any reduction must be compatible with the existing environmental and application conditions.

Reducer .................. Not recommended
Clean Up .................. Xylene,R2K4
Airless Spray
Pressure .................. 1800-3000 psi
Hose .................. 1/4" ID
Tip .................. .015-019"
Filter .................. 60 mesh

Conventional Spray
Gun .................. Orbe 65
Fluid Nozzle .................. 63G
Air Nozzle .................. 63PB
Atomization Pressure .................. 50 PSI
Fluid Pressure .................. 15-20 PSI

Brush .................. Natural Bristle
Roll .................. 3/8" woven with solvent resistant core

If specific application equipment is not listed above, equivalent equipment may be substituted.

CLEANUP INFORMATION

Clean spills, spatters & tools with compliant cleanup solvent. After cleaning, flush spray equipment with compliant cleanup solvent to prevent rusting of the equipment. Follow manufacturer's safety recommendations when using solvents.

DANGER: Rags, steel wool, other waste soaked with this product, and sanding residue may spontaneously catch fire if improperly discarded. Immediately place rags, steel wool, other waste soaked with this product, and sanding residue in a sealed, water-filled, metal container. Dispose of in accordance with local fire regulations.

CITY COUNCIL MEMO

DATE: January 15, 2020
TO: Mayor and City Council
FROM: Shelley Goodwin, City Secretary TMRC
SUBJECT: HOT Funding-Local Organizations

Summary:
At Tuesday's Council meeting an initial discussion is scheduled on the applications submitted by local organizations for HOT funds.

Recommendation:
It is recommended that the City Council review the applications and ask the applicant question so that you have a clear understanding of what is being requested before you approve the HOT funding requests.

Background / Analysis:
Several days ago, the Council was provided with a notebook that includes the 38 applications that were submitted for HOT funds this year. Please bring your folder to the Council meeting so that you can refer to this information during the Council discussion.

Attached to this memo is a spreadsheet that includes the amount of funding that has been requested by each organization and the funding that they received over the past three years. As noted on this attachment, a total of $610,134 had been requested this year with $480,000 in funds remaining to be allocated.
The City Attorney is in the process of reviewing the funding requests to ensure that they comply with State law. He will provide the Council with his recommendations prior to the meeting.

The purpose of Monday’s meeting is for the Council to gain a clear understanding of what is being requested by the different organizations. So, please feel to ask questions of the applicants who will be present at the meeting. At the next City Council meeting, we will schedule additional discussion and approval of the HOT fund allocation for this year.
