Dear Madam:

This letter is in response to your phone call requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in May 1987 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(iii).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
Hill Country Memorial Hospital
74-603124

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization’s present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization’s annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization’s exempt status and foundation status, you should keep it with the organization’s permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization’s exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE Customer Account Services

SUBJECT: Street Closure Request: Fredericksburg Crawfish Festival 2020

Summary:

The Crawfish Festival is an annual event sponsored by the Fredericksburg Jaycees and is held on Memorial Day weekend each May. Festival organizers have requested to close the parking lane and one southbound lane of Adams Street adjacent to Marktplatz from Austin Street to Main Street and both lanes of Austin Street between Adams Street and Crockett Street for the 2020 event. The street closure request is the same request from 2018 & 2019 that was approved by City Council. Bethany Lutheran Church attendees are allowed parking access on Sunday, May 24, 2020 for church services.

The Crawfish Festival has already submitted a special events application to the special events coordinator.

Recommendation:

Recommend Council consider the Crawfish Festival street closure request to close the parking lane adjacent to Marktplatz on Adams Street beginning on Thursday, May 21st at 8:00 a.m. until Sunday, May 24th at 6:00 p.m.; and to close one southbound lane on Adams Street adjacent to Marktplatz beginning Friday, May 22nd at 8:00 a.m. until Sunday, May 24th at 6:00 p.m.; and also close W. Austin Street between N. Adams and N. Crockett Streets beginning Friday, May 22nd at 8:00 a.m. until Sunday, May 24th at 6:00 p.m.

Background / Analysis:
The Jaycees are a non-profit service organization and all proceeds from the event are given back to the community, primarily in youth activities and scholarships. The festival occupies Marktplatz with vendors, exhibitors, and attractions.

The event organizers have visited with Bethany Lutheran Church and all but two merchants on Adams Street.

The police department and streets division have both reviewed and approved the request internally.

To the Merchants on Adams & Austin St.

The Fredericksburg Jaycees again are having our annual Crawfish Festival May 22nd to May the 24th 2020. As you know we must go to City Council to request either a Street Closure or a Lane Closure. This year we are seeking a parking lane closure and possibly the south bound lane closure on the Adams Street side of Market Platz and the Parking Lanes, West and East bound lanes on the Austin St. side. The goal of the Fredericksburg Jaycees is to work with the merchants on the Adams St. and Austin St. to please both parties.

Please feel free to contact me if there are any questions or concerns and I will be glad to work with you on the matter. Your Signature below confirms your have received a verbal and written notice of the JAYCEES intent to close said streets as well as a map showing said closures.

CITY COUNCIL MEMO

DATE: February 17, 2020
TO: Mayor and City Council
FROM: Brian Jordan, AICP
SUBJECT: Public Hearing to consider the following:

1) Change in the Land Use Plan from Low Density Residential to Commercial;
2) Change in zoning from R-1, Single Family Residential to C-1.5 Medium Commercial, and
3) Conditional Use Permit for an Indoor Sports and Recreation Facility and Limited Restaurant Use.

Summary:

The subject property consists of approximately 10 acres of land located on the south side of Friendship Lane, and currently contains a single family residential structure. The northern portion of the property includes a number of large Pecan Trees while the southern portion of the property is open. Surrounding land uses include vacant undeveloped property to the east, south and north, and a hotel immediately to the west. Surrounding property is zoned R-2 and R-1A to the south, R-1 to the east and north, and C-2 to the west. The Land Use Plan identifies the subject property as Low Density Residential, property to the south, east and north as Low Density Residential and property to the west as Commercial Center. Property to the north is Medium Density Residential and surrounding properties to the west, east and south are Low Density Residential.

Recommendation:
The Planning and Zoning Commission voted 7-1 to recommend approval of the requested changes. Staff concurs with this recommendation. In the Planning Commission’s motion, it was recommended that the City initiate the consideration of the zoning on the adjoining property to the east. Staff will be contacting the owners of said tract to advise them of this proposal. There has been one letter in support and not letters in opposition.

---

**Background / Analysis:**

The applicant is proposing to build a 17,000 square foot multi-story indoor climbing facility and a 5,000 square foot restaurant (see attached Plan). Other uses are less defined at this point, but include office space and residential uses. Access to the property is from Friendship Lane. Adequate parking is provided for the uses proposed. The applicant has provided the following descriptions of the intended uses:

**Fredericksburg Climbing Facility:** An indoor recreation center with sport climbing (with ropes on manufactured climbing walls), bouldering with 18-inch thick specialized padded flooring, a yoga studio, weights and cardio area, café, fitness classes, small retail area, and an outdoor area green space and splash pad. We envision the place becoming a social hub to foster community and health via fun activities.

**Limited Restaurant:** A simple and quality restaurant environment with fresh homemade foods such as pizzas, burgers, tacos, salads, rice bowls, etc. This facility would have an outdoor seating area with a big playground for kids to be entertained so parents can watch while eating. Would also serve beer on tap and have a spot for live indoor music. Examples of similar environment/style: Pint and Plow in Kerrville.

CONDITIONAL USE PERMIT BRIEF
Request Z-2001-2002

APPLICANT: Andy Bray with Mustard Design on behalf of Chris and Kevin Avery

LOCATION: 521 Friendship Lane

EXISTING ZONING: R-1, Single Family Residential

EXISTING LAND USE: Low Density Residential

PROPOSED REQUEST: 1) Change in the Land Use Plan from Low Density Residential to Commercial;

2) Change in zoning from R-1, Single Family Residential to C-1.5 Medium Commercial, and

3) Conditional Use Permit for an Indoor Sports and Recreation Facility and Limited Restaurant Use.

FINDINGS:

- The subject property consists of approximately 10 acres of land located on the south side of Friendship Lane, and currently contains a single family residential structure.
- The northern portion of the property includes a number of large Pecan Trees while the southern portion of the property is open.
- Surrounding land uses include vacant undeveloped property to the east, south and north, and a hotel immediately to the west.
- Surrounding property is zoned R-2 and R-1A to the south, R-1 to the east and north, and C-2 to the west.
- The Land Use Plan identifies the subject property as Low Density Residential, property to the south, east and north as Low Density Residential and property to the west as Commercial Center.

LAND USE PLAN: The Land Use Plan identifies the subject property to be Low Density Residential. As defined in the Comprehensive Plan, this definition is representative of traditional, single-family detached dwelling units. Low Density Residential accounts for the largest percentage of residential development in Fredericksburg today and will continue to do so with the development shown on the “Future Land Use Map”. The areas designated for Low Density Residential land use are generally not adjacent to major thoroughfares or incompatible land uses, and are in proximity to existing single-family residential land use. Within these areas, the City should encourage a range of lot sizes and housing types in order to promote increased housing diversity and affordability.
The applicant is proposing to change the Land Use Plan to Commercial to accommodate the development of the property into a non-residential use (see CUP discussion below). This property happens to fall in the transition area along Friendship Lane between commercial uses to the west and residentially zoned area to the east. This land use change would extend the commercially designated property to the east along Friendship Lane. In addition, this change would represent a reduction in the low density designation along Friendship Lane. The subject property and the adjoining property to the east are the only low density residential designated properties in this vicinity on Friendship Lane.

**ZONING:** The subject property is zoned R-1, Single-Family Residential, and has most recently been used for residential purposes. The applicant is proposing to change the zoning to C-1.5, Medium Commercial to accommodate an Indoor Sports and Recreation Facility and Limited Restaurant use (see CUP discussion below). Since there is commercial zoning and land use adjacent to the property to the west, it would be our opinion that this change would not represent “spot” zoning. So, the decision to be made in this case is whether or not it would be appropriate to extend the commercial zoning along Friendship Lane, or restrict it to the current location.

**Proposed Uses:**

**Fredericksburg Climbing Facility:** An indoor recreation center with sport climbing (with ropes on manufactured climbing walls), bouldering with 18-inch thick specialized padded flooring, a yoga studio, weights and cardio area, café, fitness classes, small retail area, and an outdoor area green space and splash pad. We envision the place becoming a social hub to foster community and health via fun activities.

**Limited Restaurant:** A simple and quality restaurant environment with fresh homemade foods such as pizzas, burgers, tacos, salads, rice bowls, etc. This facility would have an outdoor seating area with a big playground for kids to be entertained so parents can watch while eating. Would also serve beer on tap and have a spot for live indoor music. Examples of similar environment/style: Pint and Plow in Kerrville.

**CUP Site Plan Overview:**

- The applicant is proposing to build a 17,000 square foot multi-story indoor climbing facility and a 5,000 square foot restaurant.
- Other uses are less defined at this point, but include office space and residential uses.
- The site is approximately 10 acres.
- Access to the property is from Friendship Lane.
- Adequate parking is provided for the uses proposed.

**Review and Evaluation Criteria:**

A. **CONFORMANCE WITH APPLICABLE REGULATIONS:**

- The Site Plan is conceptual at this point, but meets the proposed C-1.5 regulations.
B. COMPATIBILITY WITH EXISTING OR PERMITTED USES IN ABUTTING SITES:

- We would expect the proposed use described by the applicant to be compatible with the surrounding residential and commercial zoning. The C-1.5 zoning district was created so that it could be compatible with a number of surrounding uses.

C. POTENTIALLY UNFAVORABLE EFFECTS OR IMPACTS ON OTHER EXISTING OR PERMITTED USES ON ABUTTING PROPERTY:

- We do not anticipate unfavorable effects on adjoining properties from this use.

D. MODIFICATIONS TO THE SITE PLAN WHICH WOULD RESULT IN INCREASED COMPATIBILITY AND WOULD MITIGATE POTENTIALLY UNFAVORABLE IMPACTS:

- None.

E. SAFETY AND CONVENIENCE OF VEHICULAR AND PEDESTRIAN CIRCULATION IN THE VICINITY:

- Drive access into this property will be on Friendship Lane. The proposed uses on site are anticipated to operate with compatible operating hours. The site is designed to accommodate required parking, vehicle circulation and pedestrian circulation.

F. PROTECTION OF PERSONS AND PROPERTY FROM EROSION, FLOOD OR WATER DAMAGE, FIRE, NOISE, GLARE:

- The site is designed with proposed drainage detention, landscaping and erosion control to prevent adverse impacts.

G. LOCATION OF LIGHTING AND TYPE OF SIGNS; THE RELATION OF SIGNS TO TRAFFIC CONTROL AND ADVERSE EFFECTS OF SIGNS ON ADJACENT PROPERTIES:

- Site and building lighting shall comply with City of Fredericksburg requirements.

H. ADEQUACY AND CONVENIENCE OF OFF STREET PARKING AND LOADING FACILITIES:

- All off street parking will meet City of Fredericksburg standards.

I. DETERMINATION THAT THE PROPOSED USE IS IN ACCORDANCE WITH THE OBJECTIVES OF THESE ZONING REGULATIONS AND PURPOSES OF THE ZONE IN WHICH THE SITE IS LOCATED:

- The intent of the C-1.5 zone is to represent an effort to provide a district between the Neighborhood Commercial and the Commercial District. Uses were selected from each of the various districts, with the intent that the proposed uses could function as a
transition between highway commercial and residential neighborhoods, but could also provide a lower impact zone along major roadways.

J. DETERMINATION THAT THE PROPOSED USE WILL COMPLY WITH EACH OF THE APPLICABLE PROVISIONS OF THE ZONING ORDINANCE:

- Affirmative.

K. DETERMINATION THAT THE PROPOSED USE AND SITE DEVELOPMENT, TOGETHER WITH ANY MODIFICATIONS APPLICABLE, THERETO, WILL BE COMPATIBLE WITH EXISTING OR PERMITTED USES IN THE VICINITY:

- Affirmative.

L. DETERMINATION THAT ANY CONDITIONS APPLICABLE TO APPROVAL ARE THE MINIMUM NECESSARY TO MINIMIZE POTENTIALLY UNFAVORABLE IMPACTS ON NEARBY USES AND TO ENSURE COMPATIBILITY OF THE PROPOSED USE WITH EXISTING OR PERMITTED USES IN THE SAME DISTRICT AND THE SURROUNDING AREA:

- The design of the site plan, including the locations of the buildings to fit within existing trees, the proposed use of an indoor recreational facility, a limited restaurant, business office and residential, along with the integration of the landscape with vehicle circulation and parking provide for a development with favorable impact on properties in the vicinity.

M. DETERMINATION THAT THE PROPOSED USE TOGETHER WITH THE CONDITIONS APPLICABLE THERETO, WILL NOT BE DETRIMENTAL TO THE PUBLIC HEALTH, SAFETY, OR WELFARE OR MATERALLY INJURIOUS TO PROPERTIES OR IMPROVEMENTS IN THE VICINITY:

- We would not expect the proposed use to have detrimental effects on the public health, safety or welfare of properties in the vicinity.

OPPOSITION/SUPPORT OF REQUEST: One letter in support.

PLANNING AND ZONING COMMISSION RECOMMENDATION: The Planning and Zoning Commission voted 7-1 to recommend approval of the requested changes.

STAFF RECOMMENDATION: In order to accommodate the use proposed by the applicant, it is necessary to have the appropriate land use designation and zoning before they can even apply for the Conditional Use Permit for their project. In reviewing the current Land Use Plan and Zoning for the subject property, it and the adjoining property remain the only low density residential land use and R-1 zoned properties fronting on the south side of Friendship Lane. So, the question is whether or not these two tracts should remain residential or be considered for other purposes. We have talked often about the future of the Friendship Lane Corridor and whether or not we should consider alternatives to the mostly mixed residential zoning. And, we have now adopted a new C-1.5 Medium Commercial and MU-2, Mixed Use - Infill Zoning Districts as possible options for consideration. In reviewing the intent of both of these districts, one could certainly argue that this particular property would fall within either of these categories. Given the circumstances outlined above, it is Staff’s opinion that the proposed change is a
reasonable consideration. While we should never change the land use or zoning based on a specific type of use or development, the intent of the C-1.5 zoning category seems to fit the location being considered.

With regard to the proposed CUP for an Indoor Sports and Recreation Facility and a Limited Restaurant, the layout of the site and the sensitivity to the surrounding property represents a compatible development solution. In considering the Limited Restaurant, the Zoning Ordinance defines this use as Restaurants which typically involve the custom preparation of food in limited quantities and of a personal nature. Restaurants within this category are characterized by limited traffic, noise and parking that is similar in nature to an office use of a similar size, limited hours of operation typically not later than 10:00 pm, no drive-thru, and lighting which is shielded from and directed away from adjacent neighborhoods and is dimmed to a minimal level after hours. Said restaurants may include live entertainment with amplified sound as long as such activity is wholly enclosed within the main building and incidental alcohol beverage service. Lighted signs shall be turned off after business hours. No outdoor cooking shall be permitted.

Approval of the Land Use Plan change from Low Density Residential to Commercial, the zoning from R-1 Single Family Residential to C-1.5 Medium Commercial and the Conditional Use Permit for an Indoor Sports and Recreation Facility and a Limited Restaurant is recommended. If a favorable recommendation is proposed by the Commission, we would also recommend consideration be given to calling a public hearing to consider changing the adjoining property to the east as well.

Dear Brian,

Thank you for the site plan review, we received your comments dated 01.17.20 and have listed a written response to each for the above-mentioned project. Each item is numbered and listed to coordinate with the review comment.

Item Response:

1. Z-2001 will require an amendment to the Land Use Plan from Low Density Residential to Commercial. Amend the application and fees.

   The application has been revised to add Application for Land Use Change. The applicable fee for this addition shall be paid by check.

2. Provide a detailed description of the proposed Indoor Sports and Recreation Facility, and the proposed Limited Restaurant.

   Fredericksburg Climbing Facility - An indoor recreation center with sport climbing (with ropes on 45 ft tall manufactured climbing walls), bouldering (18 ft tall walls) with 18-inch-thick specialized padded flooring, a yoga studio, weights and cardio area, cafe, fitness classes, small retail area, and an outdoor area green space and splash pad. We envision the place becoming a social hub to foster community and health via fun activities.

   Restaurant Limited - a simple and quality environment with fresh homemade foods such as pizzas, burgers, tacos, salads, rice bowls, etc. Would have an outdoor seating area with big playground for kids to be entertained so parents can watch while eating. Would also serve beer on tap and have a spot for live indoor music. Examples of similar environment/style: Pint and Prow in Kerrville.

3. Provide a response to each of the Review and Evaluation Criteria stated in Section 5.460 of the Zoning Ordinance.

   See attached document responding to Conditional Use Permit Review and Evaluation Criteria.

CITY COUNCIL MEMO

DATE: February 12, 2019
TO: Mayor and City Council
FROM: Steven Wetz, Chief of Police
SUBJECT: School Officer Interlocal Agreement

Summary:

Although the City of Fredericksburg Police Department and the Fredericksburg Independent School District has had a working relationship for many years, in April 2017 the two entered into an official local agreement. The agreement was for one year and has not been updated since. The agreement includes responsibilities for each entity, supervision of Officers assigned to the duty, and the shared cost of the program.

Recommendation:

The Fredericksburg Police Department request that the City Council allow the City Manager to negotiate and sign an agreement between the FPD and the FISD for another 1 year term, with an option for more. It is recommended that the cost share of the program should be at a minimum of 50% or $88,117. This would be an increase to FISD of $58,117.

Background / Analysis:

In 2017 the FPD and the FISD entered into an agreement in which the FISD would pay the City $30,000 in August of 2017 for the 2 officers working in the SRO program. The same payment was again received in 2018 and 2019 for those same services.
In researching other departments, it was found that Boerne Police Department has 6 officers assigned to the SRO program and receive a reimbursement of 75% of the officer cost. The Kerrville Police Department has 2 officers assigned to their program and receive a reimbursement of 5/6th of the officer’s cost, which is equal to 10 months. The Brenham Police Department has 3 officers assigned to their program and receives 10 months of the officer’s salaries only as a reimbursement and the city of Brenham covers the officer’s benefits.

At this time the FPD cost for the two officers we have assigned to our program is $127,171 in salaries and $48,518 in benefit cost for a total officer cost of $176,235.

A 50% cost share would be $88,117 for each entity. A 10-month cost share for FISD would be $146,862 for all cost and $105,975 for salaries only.
