No grant or franchise to construct, maintain, or operate a public utility and no renewal or extension of such grant shall be exclusive.

Sec. 11.06. Consent of Property Owners.

The consent of abutting and adjacent property owners shall not be required for the construction, extension, maintenance, or operation of any public utility; but nothing in this charter or in any franchise granted hereunder shall ever be construed to deprive any such property owner of any right of action for damage or injury to his property as is now or hereafter may be provided by law.

Sec. 11.07. Extensions.

All extensions of public utility service within the city limits shall become a part of the aggregate property of the public utility, shall be operated as such, and shall be subject to all the obligations and reserved rights contained in this charter. a hearing of the council called to consider such
request, the burden of establishing by clear,
competent, and convincing evidence the value of
its investment property allocable to service in
the city, the amount and character of its expenses
and revenues connected with the rendering of
such service, and any additional evidence required
by the council. If no agreement between the
council and the franchise holder can be reached
on such request for an increase in rates, charges,
