

Inner Loop Discussion (Extension of Friendship Lane)

City Council/County Commissioners Meeting
March 1, 2018

Inner Loop

Need for an interim solution

Fredericksburg Relief Route vs Extension of Friendship Ln Extension of Friendship Lane (Inner Loop)

*Project Concept Developed by Relief Route Task Force

*Project is an interim solution to the Fredericksburg Relief Route

1. Project Timeline

- *Approximately 5 years vs 15 years*

2. Utilization of existing right-of-way (ROW)

- *Tivydale Road, Kerr Road and Gold Road*

3. Minimize impact to property owners

- *Approximately 80 property owners vs over 200*
- *80 feet of ROW vs 400 feet*

4. Smaller project

- *3.75 miles vs approximately 9 miles*

5. Lower cost

- *Approximately \$25M vs over \$200M*
