

Just a friendly reminder...

The City of Fredericksburg's 2022

SPRING LEAF PICK UP

Will run
Monday, March 14, 2022
thru Friday, April 29, 2022

Residents are reminded of the following guidelines which will ensure pick up:

- Rake leaves onto the street, 12 inches from the curb.
- **Do not** rake limbs, twigs, wire, rocks, bricks, or other debris along with the leaves for collection. Any items other than leaves that are picked up will damage the leaf collection equipment and will not be picked up for that reason. If you cannot remove the debris from your leaf pile, please call the City of Fredericksburg Street Department to make arrangements for a special pick up using a loader and dump truck. **There will be a minimum \$100 fee for this service.**
- Avoid parking vehicles near leaf piles. The collection equipment cannot maneuver around vehicles and will not be able to pick up leaves.
- Remember that leaves mixed with limbs, grass clippings, and other debris will not be picked up.
- **GRASS CLIPPINGS WILL NOT BE PICKED UP.**

THE CITY LEAF PICK UP PROGRAM IS NOT A YEAR-ROUND SERVICE!!! The City offers this service twice a year, free of charge, to all residential garbage customers to encourage community beautification.

If leaves are put out after the announced end date, the resident will be notified to properly dispose of their leaves. If leaves are not disposed of, the following fees will be assessed based on service provided according to Code of Ordinances Section 25-025:

- \$100 for each dump truck size load or part thereof.

*Fall - Winter Leaf Pick Up is tentatively scheduled to begin in November 2022.

Questions may be directed to the City of Fredericksburg Street Department at (830)997-7521.
